Society for Range Management (parent society)

The **Society for Range Management** is the professional scientific society and conservation organization whose members are concerned with studying, conserving, managing and sustaining the varied resources of the rangelands which comprise nearly half the land in the world. SRM is dedicated to supporting persons who work with rangelands and have a commitment to their sustainable use. Rangelands comprise almost one-half of all the lands in the world. They are extremely important to society for the goods and services they produce and for the ecological services they provide. SRM is dedicated to the conservation and sustainable management of rangelands for the benefit of current societies and for future generations. Established in 1948, SRM has over 4,000 members in 48 countries, including many developing nations.

SRM's members are land managers, scientists, educators, students, producers and conservationists--a diverse membership guided by a professional code of ethics and unified by a strong land ethic.

VISION

The Society's **vision** is a well-trained and highly motivated group of professionals and rangeland users working with productive, sustainable rangeland ecosystems.

MISSION

The Society's **mission** is to promote the professional development and continuing education of members and the public and the stewardship of rangeland resources.

Website: <http://www.rangelands.org/>

VISION

The **Texas Section Society for Range Management** envisions healthy, sustainable rangelands. Healthy rangelands provide dynamic, sustainable habitats for a wide variety of plants and animals.

MISSION

To provide leadership for the stewardship of rangelands based on sound ecological principles.

OBJECTIVES

To foster advancement in the science and art of grazing land management, to promote progress in the conservation and greatest sustained use of forage and soil resources, to stimulate discussion and understanding of scientific and practical range and pasture problems, to provide a medium for the exchange of ideas and facts among Section members and with allied technologists, and to encourage professional improvement of its members.

DUTIES OF THE OFFICERS AND BOARD OF DIRECTORS

PURPOSE

The Board of Directors (Board/BOD) shall manage the business of the Texas Section Society for Range Management (hereafter referred to as TSSRM and/or Section). This business includes, but is not limited to, Section organization, administration, financing, and programs that accomplish the objectives of the Section as stated in the Constitution, Article II, Section I. *Last updated 2003*

STRUCTURE (Constitution Article IV, Section 2)

The Board shall consist of the President, First Vice-President, Second Vice-President, and the six elected Directors. Each member of the Board serves a three-year term. Ex officio members of the Board include, but are not limited to, the immediate Past President, Secretary, Treasurer, and Archivist. (Change in structure of the officers was recommended by the Planning Committee in January 1987, passed by the membership at large in May 1987, and ratified at the business meeting of the Texas Section in May 1987.) (Revised 10/2003)

PRESIDENT

- A. The President shall have general supervision of the affairs of the Section. He/she shall preside at all meetings of the Section. Committee Chair-elects, appointed while First Vice President shall become Committee Chairs, when he/she becomes President, providing for greater continuity in committee work.
- B. Represent the Section at all meetings of the SRM Advisory Council.
- C. Forward SRM correspondence to board member(s) and/or committee chair(s) as appropriate.
- D. Finalize a budget as early in the year as possible and present to the board for approval – work with Secretary and Treasurer on this.

CONSTITUTION

AS AMENDED 12/3/70, 11/74, 01/28/92, 7/10/92

ARTICLE I - NAME

Section 1. The name of the Section shall be the Texas Section Society for Range Management. (Amended 11/74.)

ARTICLE II - OBJECTIVES

Section 1. The purpose of TSSRM is to foster advancement in the science and art of grazing land management in Texas, to promote progress in the conservation and greatest sustained use of forage and soil resources, to stimulate discussion and understanding of scientific and practical range and pasture problems, to provide a medium for the exchange of ideas and facts among Section members and with allied technologists, and to encourage professional improvement of its members. As such, TSSRM is organized exclusively for charitable, educational, and scientific purposes, including, for such purposes, the making of distributions to organizations that qualify as exempt organizations described under Section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code.

ARTICLE III - MEMBERSHIP

Section 1. Persons shall be eligible for membership who are members in good standing of the Society for Range Management and who reside or conduct their business in Texas or who have elected to be registered as a member of the Texas Section as provided by the Bylaws of the Society for Range Management. (Amended 07/92)

ARTICLE IV - OFFICERS

Section 1. The officers of the Section shall be a President, a First Vice-President, a Second Vice-President, and six elected Directors. Ex officio officers include: Past-President, Secretary, Treasurer, and Archivist. The President, First Vice President, and Second Vice President shall serve in succession one year in each position. The Second Vice President shall be elected to that office as hereinafter provided and the first following year shall succeed to the First Vice Presidency and in the second following year shall succeed to the Presidency.

Section 2. The Section shall have a governing body, which shall be known as the Board of Directors (BOD) and shall consist of the elected officers, including the President, the First Vice-President, the Second Vice-President, and the six elected Directors, each of whom shall be a member of the Society in good standing. (Amended 05/87.)

Section 3. The term of office of the President, First Vice-President, and Second Vice-President shall be one year. Terms of office shall begin on January 1 and conclude on December 31. The immediate past President shall serve as an ex officio member of the Board of Directors for one year. The Secretary, Treasurer, Archivist, and the Documents and Handbook shall be annually appointed by the President and ratified by the Board of Directors and will serve as ex officio members of the Board of Directors. (Amended 01/92). The terms of the six elected Directors shall be for one, two, and three years respectively for two each for the first term after this article is adopted. Thereafter, the two Directors elected each year will serve a three-year term. Terms of office of Directors shall begin on January 1 of the year following their election.

Section 4. The President and other elected officers shall not be eligible for reelection to the same office until at least one year has elapsed after the end of their respective terms.

Section 5. Vacancies in any unexpired term of office shall be filled from among the Section members by a majority vote of the Board of Directors.

ARTICLE V - NOMINATION AND ELECTION OF OFFICERS

- Section 1. The Section Second Vice-President (Amended 05/87) and Directors shall be elected by ballot, which shall be sent to all members by the Nominations and Elections Committee Chair. The President will appoint the Secretary (Amended January 13, 1954), and Treasurer (Amended 01/85).
- Section 2. The First Vice-President, simultaneously with appointment of all other committee chair-elects, shall appoint a Nominating and Elections Committee, but not later than January 1 of each year. Chair-elects will become Committee Chairs when the First Vice-President ascends to the Presidency.
- Section 3. It shall be the duty of the Nominating and Elections Committee to prepare a list of candidates who are qualified for the elective offices 120 days prior to the Section Annual Meeting (BOD 10/88). Persons qualified for elective office must be members in good standing of the Society for Range Management. This list shall include at least two candidates for each elective office (BOD 10/88 Amended 07/92).
- Section 4. The Nominating and Elections Committee shall send a ballot to membership (electronic ballot or direct mailing) at least 90 days prior to the Annual Meeting (BOD 10/88 Amended 07/92).
- Section 5. All ballots must be received by September 15 to be considered official and counted. The candidate receiving the greatest number of votes for each office shall be declared elected to that respective office. The present officers and committee chairs shall resolve a tie vote for any office (BOD 10/88 Amended 07/92).

ARTICLE VI- MEETINGS

- Section 1. A Section Annual Meeting for the presentation and discussion of professional papers and for professional fellowship shall be held at such time and place as the Board of Directors may determine. The Annual Meeting Committee shall provide notice of such meetings, including the tentative program, to the membership at least 60 days in advance of the meeting
- Section 2. The President may call business meetings and other meetings at intervals. Upon written request of not less than 20 members, with such request stating the purpose of the meeting; the President shall call a special meeting of the Section. The call for such a meeting shall be issued not less than 30 days in advance and shall state the purpose thereof, and no other business shall be transacted at such meeting.
- Section 3. The Bylaws shall provide rules for the order of business at meetings, but at each Annual Meeting the members by a majority vote may, without notice, modify or change these rules as to that meeting.
- Section 4. The members in attendance at a regularly called meeting shall have the authority to transact the business of the Section.

ARTICLE VIII - PUBLICATIONS

- Section 1. The publications and papers of the Section shall be issued in such a manner as the Board of Directors may direct.

ARTICLE IX - AMENDMENTS

- Section 1. Proposed amendments to the constitution shall be submitted to all members. The constitution may be amended by a two-thirds (2/3) affirmative vote of the members voting.

- Section 2. Amendments may be proposed by submitting in writing, endorsed by at least 10 members, to the Board of Directors. (Amended 11/74).
- Section 3. Proposed amendments shall be printed and mailed to all voting members of the Section together with a ballot indication a "yes" or "no" for the proposed amendment. If the election is held during a regular annual election of the Section, the ballots received by the Nominations and Elections Committee on or before September 15 shall be counted. If a special election is held, a printed ballot shall show plainly the date by which it is to be returned to be eligible for counting. Such specified date to be not less than 60 days from the date of mailing to the membership.
- Section 4. A proposed amendment that receives the required 2/3 affirmative vote shall take effect immediately upon submission of the results to the President.

Any such assets not disposed of shall be disposed of by a court of competent jurisdiction in the county in which the principal office of the organization is then located, exclusively for such purposes or to such organization or organizations, as said Court shall determine, which are organized exclusively for such purposes.

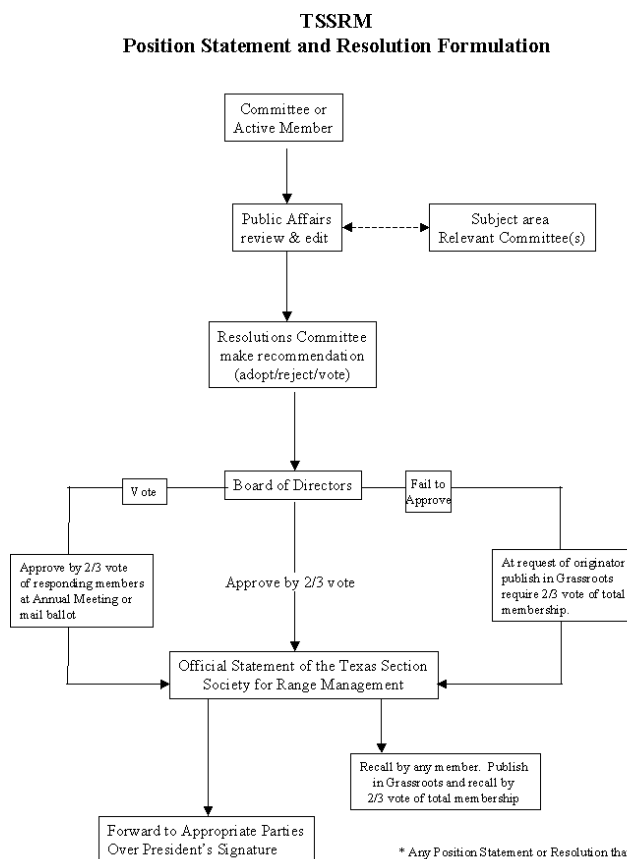

RESPONSE TO PUBLIC ISSUES

(Updated 2004)

The Texas Section SRM has a long tradition as a spokesman for professional range people in Texas on public issues involving or relating to the art and science of range management. In its role as a nonprofit professional organization, it is important and proper for the Texas Section to respond to public issues which may affect the management of the State's rangeland and ranges. These responses can be in the form of input to legislation when requested by a legislator; comment on agency rule making; or response to any action affecting Texas rangelands. Official Texas Section, SRM responses will take the form of either a Position Statement or a Resolution. Any response by the Texas Section SRM must be within the parameters of Policy Statements of the Society. Position Statements are an unequivocal statement of posture or attitude in regard to a specific issue. Resolutions are a formal expression of opinion requesting and encouraging action to resolve a Policy Statement of the Society.

Procedures to provide for orderly, timely, and professional responses are:

- (1) Position Statements and Resolutions may be introduced by any Texas Section member or section committee. The Board may originate a Position Statement or Resolution at any time to meet emergency situations. Resolutions will be received by the Public Affairs Committee no later than 30 days prior to the Annual Meeting.
- (2) Position Statements and Resolutions will be forwarded to the Public Affairs Committee, which will review the statement to ensure that it is within the parameters of Society Policy. The Public Affairs committee may edit a statement to ensure that it is in compliance with Society Policy and that it represents the diverse opinions of the Texas Section membership. Position Statements and Resolutions may also be sent to appropriate committees to ensure they are technically correct.
- (3) A Resolutions Committee, made up of past Section Presidents, will be appointed by the President. The Resolutions Committee will either recommend the Section adopt action on a Position Statement or Resolution or that no action be taken.
- (4) To become official statements of the Texas Section SRM Position Statements and Resolutions must receive a two-thirds (2/3) vote of approval by the Board of Directors, or the Board may poll the membership at the annual meeting or with a mail ballot. If the membership is polled passage will require a two-thirds (2/3) vote of responding members. Official statements of the Texas Section SRM are forwarded to the appropriate parties with the president's signature.
- (5) Position Statements and Resolutions that are not approved by the Board of Directors may at the request of the originator be published in the Texas Section Newsletter and will require a two-thirds (2/3) vote of the entire membership to be adopted as an official statement of the Texas Section SRM.
- (6) Any member may request a recall of a resolution or position statement that is passed by the above procedures. Upon request for a recall the resolution or position statement will be published in the Texas Section Newsletter and must receive a two-thirds (2/3) vote of the entire membership to be rescinded.
- (7) Official statements of the Texas Section SRM are forwarded to the appropriate parties with the president's signature.

COMMITTEE GUIDELINES

Texas Section
Society for Range Management

GENERAL

For many years there has been a need for greater continuity in the transfer of responsibilities from a Committee Chair to the succeeding Chair-Elect succeeding. There have also been occasions when the new Chair was not sure what his responsibilities entailed.

The purpose of this handbook is to help alleviate some of these problems.

A positive step was taken at the Summer Meeting in Junction in 1974, when the Texas Section Society for Range Management (TSSRM and/or Section) Board of Directors (BOD and/or Board) voted to establish the following guidelines for the Section's committee structures:

- 1 Continuing committees are those with business carried forward from year to year. *Continuity is desirable.*
- 2 Annual committees are those where their function is completed within a year and membership can be entirely different each year at the discretion of the President and approved by the BOD.
- 3 Site selection for the Annual Meeting will become the responsibility of the Planning Committee.
- 4 Exact membership of the committee is up to the Chair/Co-chairs. Each committee guideline will have a *suggested* number of members, to be selected by the Chair, but the actual number of committee members is flexible. If suggestions are needed for committee member(s), consult the BOD and/or past committee members. *Committee Chair-Elects will be selected by the First Vice President early in their term to allow for greatest chance of continuity.*

The BOD accomplished further improvement in continuity of committee functions from year to year BOD at the 1974 Summer Meeting in Junction. The BOD voted that the First Vice-President would name a Chair-Elect for most committees by the Annual Meeting date. The Chair-Elect will serve on the committee and assume the Chair of the committee the following year. The Second Vice-President is Chair of Activities Committee and immediate Past President is Chair of the Planning Committee (BOD action Jan. 1990).

Accounting software will be used to track Section funds in the General Operating Fund, Youth Activities, and Annual Meeting (or other temporary special accounts approved by the Board). If you prefer to not use accounting software - and track the information manually - consult the Treasurer and Audit Coordinator for assistance.

All Committee Reports to the BOD will use the attached Committee Report Form - can be submitted via email. *Committee structure is subject to change of the Board of Directors.*

All Committee Chair/Chair-Elects who receive donations to the Section will send a letter of acknowledgement to the donor (cc: Treasurer). Forward donation and copy of letter directly to Treasurer. In the event that a donation to the Section is sent directly to the Treasurer, the Treasurer will send the letter of acknowledgement (cc: Committee Chair or Chair-Elect).

In the event that a large donation is made to the Section and the donor does not specify where the money should be invested, the BOD will decide where to place the funds (Endowment and/or Scholarship). (BOD 10/05/95)

Any committee presenting awards will provide a list of award winners to the President, Newsletter Editor, Archivist, and the Administrative Handbook coordinator.

Each committee Chair will send information of historical significance to the Archivist at the conclusion of his/her term.

PURPOSE

The primary purpose of the **Activities and Education Committee** is to plan and schedule tours, field days, and conferences; and to disseminate information about the activities, goals, and aspirations of the Section. The committee will also work on updates to the TSSRM display (develop different themes), update publications, etc. It is also the responsibility of this committee to properly publicize these events. This committee should arrange for pictures of these activities and see that these articles and pictures are submitted for publication in the Newsletter and other media as appropriate.

STRUCTURE

The TSSRM First Vice President will serve as Committee Chair to better coordinate the coordinate the thrust of Section activities and information distribution (the 2nd VP is the Chair-Elect). The committee is comprised of the Chair and 6 to 10 members (suggested) located strategically around the state. To ensure well organized activities, it is recommended that no more than one-half (½) of the committee members will be replaced each year. As needed, additional task groups/subcommittees may be formed for specific meetings/symposia. If a separate committee is needed for a major event (e.g. SRM Annual Meeting), it will be formed at the direction of the BOD.

PRIMARY DUTIES

The Committee shall:

1. Plan and schedule tours, field days, and conferences for the major regions of the state. Additionally, the TSSRM Informational Booth shall be scheduled at a diversity of events statewide.
 - a. request that the Committee members regularly prepare the necessary news releases, so that timely releases can be made to the media;
 - b. maintain an updated media list;
 - c. Ensure that the TSSRM Display is present at major events dealing with Natural Resources.
 - d. Arrange for pictures of activities and write-up of the event to be published in the Texas Section Newsletter.
2. Report the committee's activities and proposals to the BOD at their regularly scheduled meetings. Mail committee report to President three weeks prior to meetings. Submit a written report on the status of committee's respective funds to the president and the treasurer three weeks prior to scheduled BOD meetings (adopted January, 1989).
3. Report activities to the general membership during the Annual Business Meeting. A short slide presentation that highlights events sponsored during the year is very effective.
4. Coordinate with ORM/ORS Committee to arrange for local recognition of ORM and ORS recipients, especially those not able to receive their awards at the Texas Section annual meeting. Work with ORM/ORS Committee to plan and conduct tours on recipients' ranches (adopted June, 1990).
5. Brief incoming Chair.

ANNUAL MEETING

Last updated January 2003

PURPOSE

The primary purpose of the Annual Meeting Committee is to plan and organize the annual meeting that includes a BOD meeting, a Section business meeting and a program for members and guests.

STRUCTURE

The First Vice-President will select the Chair, (adopted Jan. 1990), and Vice-Chair (or Co-Chair) for next year's annual meeting prior to this year's annual meeting (time frame determined locally). Subcommittees will be formed by the Chair(s) as needed to coordinate local arrangements, pre-registration and registration, program, visual aids, mass media and printed program, spouse's program, finance, door prizes, and field tour for the following year's annual meeting. Early selection for these positions by the First Vice-President is advisable, and will ensure that the annual meeting planning is well underway when the First Vice-President becomes President. Below is a list of suggested task(s) for each subcommittee.

Subcommittees may be combined or kept separate as determined by the chairs and First VP.

PRIMARY DUTIES

General:

1. Select headquarters hotel or motel and arrange for meeting facilities; the Board selects or approves meeting location - coordinate with local Convention and Visitors Bureau and/or Chamber of Commerce (selection of the host city is determined by the Planning Committee through their processes three years in advance).
2. Determine the theme for the annual meeting in concert with the Second Vice-President.
3. Plan and organize an annual meeting that is conducted in a professional manner. This will include Professional Development Continuing Educational Units (CEUs), as feasible.
 - ***Submit a tentative meeting agenda to the Board of Directors for review by the 3rd Quarterly Meeting (July).***
4. Make a diligent effort for each meeting to meet the financial challenge established by the BOD, as the meeting is the primary revenue source to run the Section. (BOD 01/10/03).
 - ***Submit a preliminary budget to the Board of Directors for review by the 2nd Quarterly Meeting (April).***
5. See that \$1 of each registration fee goes to the Memorial Scholarship Fund.
6. At close of year, forward meeting information to Archivist.
7. Accounting records will be submitted to the TSSRM Treasurer within 60 days after the close of the Annual Meeting and the Treasurer will send a corresponding report on the findings to BOD by the June BOD meeting of each year (adopted June, 1989).
8. The Chair of the College Activities Committee will be a member of the Annual Meeting Planning Committee (BOD 01/09/03). Chair/Chair-Elect to submit Committee Report (can email or use the optional committee report form) to the President two weeks prior to a Board of Directors Meeting.
9. A list of any awards presented is to be sent to the President, Newsletter Editor, Archivist, and Secretary (email preferred).
10. Report the committee's activities and recommendations to the BOD at their regularly scheduled meetings. Submit a written report on the status of committee's respective funds to the president and the treasurer three weeks prior to scheduled BOD meetings (adopted January 1989).

C Preregistration and Registration

1. Responsible for mailing preregistration materials to members and conducting on-site registration.
 - a. Coordinate all registration activities with hotel and local Chamber of Commerce or Tourist Bureau.
 - c. Prepare preregistration packets (name tags, event tickets, receipts, door prize tickets) for each person that preregisters. Attempt to preregister award recipients.
 - d. Secure the tickets necessary for all activities.
 - e. Ensure that all non-TSSRM members award recipients receive a full complimentary registration (including all tickets).
 - f. Record membership classification (e.g. rancher, student, agency, etc.) for later analysis by the Board.
 - g. Account for number of people registered.
 - i. Prepare ribbons to recognize charter members, award winners, officers, media, and others.
 - j. Provide complimentary room(s) and registration(s) for SRM president, and officials attending (adopted Oct.1991). ***Consult Chair and/or President on whom is eligible for complimentary rooms and registration.***

A Program

- 1) Responsible for planning and development of the program.
- 2) Secure and schedule speakers for each session. Speakers should be confirmed at least six months before meeting.
- 3) The Young Professionals Committee is responsible for developing a Young Professionals Program. Every attempt to reserve space for this program should be made, however, if no response is received from the Young Professionals Committee, consult the Chair and/or President on cancellation of reservation and/or program slot. Acquaint all speakers with the program or meeting theme.
- 4) Set the time limits for all speakers.
- 5) Set the time for all functions.
- 6) Remind 2nd VP that they are the Emcee for the Awards Luncheon and the 1st VP is the Emcee for the Awards Banquet.

B Arrange for honorariums when necessary. Non-TSSRM member invited speakers may be given complimentary registration and lodging.

1. Give complimentary registration to media and exhibitors for all events.
2. Since the objective of the annual meeting is to retain current members and to attract new members, topics for concurrent sessions should include:
 - a) Current research and technical data relating to rangelands.
 - b) Application of range practices and principles.
 - c) Practical data of interest to the ranching profession, such as ranching success, successful marketing, climate, legal, and political concerns, etc. (adopted by BOD June 29, 1990).
3. Coordinate with General Chair and all other subcommittees as appropriate.

C. Visual Aids

1. Responsible for all visual aids required by speakers.
 - a) Secure projection equipment, screens, water on front table, etc., as needed for each speaker. Secure person(s) to assist with lights and equipment for each session. Work with Program and Local Arrangements subcommittees on needs.

 - d. Work with Finance Subcommittee to secure sponsors for transportation and meal.
- 2. Coordinate with General Chair and all other subcommittees as appropriate.

J Trade Show

- 1) Advertise booth space availability with potential trade show exhibitors.
- 2) Booth space base price set at \$275 (for 2009 Annual Meeting and beyond) to establish consistency from year to year in booth base pricing. It is recognized that future costs may force an adjustment to this amount (inflation, etc.), thus future Annual Meeting committees proposing a change to the booth base price need to request board approval early on in the process – well before notice is sent to exhibitors. *BOD 04/18/08.*

K Photo Contest

(Transferred to separate committee by BOD in 2008 with the development of the new online digital submission process – see website for further details.)

L Don Pendleton Memorial Collegiate Awards.

On July 1, 2016 the TSSRM Board of Directors approved Adding the Don Pendleton Memorial Collegiate Awards to each annual meeting program beginning in 2016. This awards program will include an oral graduate student speakers contest, and graduate and undergraduate poster contest.

- 1) The meeting agenda shall include scheduled presentations for eight(8) graduate Speakers . This subcommittee chair shall issue a call for abstracts to universities and colleges in Texas with Range Science and Management related programs of study asking each school to submit two(2) abstracts from their current graduate students and those that received their graduate degree from that school within the two years prior to the date of the annual meeting. The Don Pendelton Memorial Collegiate Awards Committee shall select eight abstracts to compete in this program from those submitted by the invited Universities and Colleges.
- 2) The subcommittee chair shall also issue a call for both graduate and undergraduate poster abstracts. The subcommittee shall select those posters they recommend for competition based on abstracts submitted and available poster presentation space in the meeting venue. There shall be a designated poster presentation session in the annual meeting agenda where poster authors are present at their poster for meeting participant interaction and judging.
- 3) The subcommittee shall select a panel of reasonably qualified judges for each session or one panel of judges for all sessions. The subcommittee and/or judges panel(s) shall establish rules and judging criteria. It is recommended that these criteria be shared from year to year and edited or enhanced as needed based upon experience. The decisions of the judges' panel(s) is final and there shall be no appeals of decisions.

Winners of the speaking (graduate students) and poster contests (both graduate and undergraduate divisions) shall receive cash awards.

- 4) Funds for cash awards shall be budgeted from Annual Meeting revenues or from the TSSRM Annual Operating Budget at the discretion of the TSSRM Board of Directors. Annual Meeting Chairs and Don Pendleton Memorial Collegiate Awards Subcommittee chairs shall review the values for cash awards and make recommendations for adjustments to values to the TSSRM Board of Directors as needed.

Alcohol Policy - Texas Section Society for Range Management

Rationale: In recent years, increasing liability and lawsuits have been related to alcohol induced accidents. TSSRM does not wish to subject itself to such liability resulting from alcohol given away freely to members and student members.

Policy: TSSRM will not, at any annual meeting, field day or officially sponsored function, serve alcohol free of charge to members, guests, or student members. Alcohol can be served at such functions only through a vendor or organization licensed by the state to sell alcohol. Preferably a bartender should be employed who is trained to detect overindulgence and/or minors. It is not legal to sell or provide alcohol to persons under the age of 21.

RESOLUTIONS

The Corporation named on this resolution resolves that,

1. The Financial Institution is designated as a depository for the funds of the Corporation and to provide other financial accommodations indicated in this resolution.
2. This resolution shall continue to have effect until express written notice of its rescission or modification has been received and recorded by the Financial Institution. Any and all prior resolutions adopted by the Board of Directors of the Corporation and certified to the Financial Institution as governing the operation of this corporation's account(s), are in full force and effect, until the Financial Institution receives and acknowledges an express written notice of its revocation, modification or replacement. Any revocation, modification or replacement of a resolutions must be accompanied by documentation, satisfactory to the Financial Institution, establishing the authority for the changes.
3. The signature of an Agent on this resolution is conclusive evidence of their authority to act on behalf of the Corporation. Any Agent, so long as they act in a representative capacity as an Agent of the Corporation, is authorized to make any and all other contracts, agreements, stipulations and orders which they may deem advisable for the effective exercise of the powers indicated on page one, from time to time with the Financial Institution, subject to any restrictions on this resolution or otherwise agreed to in writing.
4. All transactions, if any, with respect to any deposits, withdrawals, rediscounts and borrowings by or on behalf of the Corporation with the Financial Institution prior to the adoption of this resolution are hereby ratified, approved and confirmed.
5. The Corporation agrees to the terms and conditions of any account agreement, properly opened by any Agent of the Corporation. The Corporation authorizes the Financial Institution, at any time, to charge the Corporation for all checks, drafts, or other orders, for the payment of money, that are drawn on the Financial Institution, so long as they contain the required number of signatures for this purpose.
6. The Corporation agrees that the Financial Institution may furnish at its discretion automated access devices to Agents of the Corporation to facilitate those powers authorized by the resolution or other resolutions in effect at the time of issuance. The term "automated access devices" includes, but is not limited to, credit cards, automated teller machines (ATM), and debit cards.
7. The Corporation acknowledges and agrees that the Financial Institution may rely on alternative signature and verification codes issued to or obtained from the Agent named on this resolution. The term "alternative signature and verification codes" includes, but is not limited to, facsimile signatures on file with the Financial Institution, personal identification numbers (PIN), and digital signatures. If a facsimile signature specimen has been provided on this resolution, (or that are filed separately by the Corporation with the Financial Institution from time to time) the Financial Institution is authorized to treat the facsimile signature as the signature of the Agent(s) regardless of by whom or by what means the facsimile signature may have been affixed so long as it resembles the facsimile signature on file. The Corporation authorizes each Agent to have custody of the Corporation's private key used to create a digital signature and to request issuance of a certificate listing the corresponding public key. The Financial Institution shall have no responsibility or liability for unauthorized use of alternative signature and verification codes unless otherwise agreed in writing.

Pennsylvania: The designation of an Agent does not create a power of attorney; therefore, Agents are not subject to the provisions of 20Pa.C.S.A. Section 56-1 et seq. (Chapter 56: Decedents, Estates, and Fiduciaries Code) unless the agency was created by a separate power of attorney. Any provision that assigns Financial Institution rights to act on behalf of any person or entity is not subject to the provisions of 20Pa.C.S.A. Section 56-1 et seq. (Chapter 56: Decedents, Estates, and Fiduciaries Code).

AWARDS

Last updated June 2005

PURPOSE

The primary purpose of this committee is to select recipients for the Section Awards to be honored at the Annual Meeting: Outstanding Contribution to Rangeland Management, Fellow, Outstanding Achievement, Outstanding Young Range Professional, and to solicit nominees for the Special Recognition Award. (Revised 1/90)

STRUCTURE

The committee will consist of a chair and a minimum of three members including a Past President.

PRIMARY DUTIES - (Revised 1/90)

- 1 The Chair s of the Awards Committee is ineligible to receive one of the awards selected by the committee during their tenure on the committee.**
- 2 Solicit nominations for and select the recipient for the Outstanding Contribution to Rangeland Management, Fellow, Outstanding Achievement, and Outstanding Young Rangeland Professional Awards.
- 3 Solicit nominations for Special Recognition Award(s) and present these to the BOD for their consideration at the summer/third quarter meeting.
- 4 Ensure that all award recipients, to the extent possible, remain confidential until awards are presented at the annual meeting. Recipient's spouse or close friends may be contacted, if necessary, to ensure that the recipient will attend. Ensure that award plaques are prepared for presentation at the annual meeting.
- 5 Ensure that TSSRM members are properly recognized by the Society. Committee should coordinate efforts with the Society in submitting candidates for Renner, Fellow, Outstanding Achievement, and other SRM awards. *Nominations are due to the SRM Office by not later than April 30th of each year.*
- 6 Provide information on the award recipients to the Archivist.
- 7 Prepare a news release. Coordinate with the Annual Meeting Publicity Chair and Photographer to assure a suitable photograph will be available for the news release.
- 8 Report the committee's activities and recommendations to the BOD at their regularly scheduled meetings. Submit a written report on the status of committee's respective funds to the president and the treasurer three weeks prior to scheduled BOD meetings (adopted January 1989).
- 9 The Committee Chair and his/her designee shall prepare and read a brief summary of each award recipient's accomplishments and contributions during the Awards Ceremonies at the Section's Annual Meeting.
- 10 The Committee Chair shall update the list of Texas Section Award Recipients after the Annual Meeting and pass this list on to the incoming Committee Chair.
- 11 The Committee Chair shall give all the committee files to the incoming Awards Committee Chair prior to January 1, including nomination packets of nominees who were not selected to receive awards in the past year so that these nominees may be considered again in the succeeding year.
- 12 Chair/Chair-Elect to submit Committee Report (using developed committee report form) to the President two weeks prior to a Board of Directors Meeting (via email or fax).
- 13 A list of any awards presented is to be sent to the President, Newsletter Editor, Archivist, and the TSSRM secretary.
- 14 Brief the incoming Chair.

Texas Section Society for Range Management Outstanding Contribution to Rangeland Management Award

A candidate for Outstanding Contribution to Rangeland Management must meet the following criteria:

1. The candidate must be actively engaged in ranching or livestock farming or in the professional fields dealing with range management, which may be teaching, research, advice and counseling, technical assistance, or information, such as magazines, newspapers, radio and TV, or be a business man vitally interested in the betterment of the field of Range Management.
2. The candidate must be a recognized leader, one that is accepted over at least a large segment of the State, if not statewide, as being a progressive, enterprising person ever looking ahead to improvement of range management.
3. The candidate must be interested in the promotion and advancement of the art and science of range management, and preferably, though not required, a member of the Texas Section Society for Range Management.
 - If the candidate is a rancher or livestock farmer, he must be practicing an outstanding range and livestock management program on his individual unit, should be a cooperator with his soil conservation district, a supporter of 4-H and FFA Programs, active in livestock associations, and otherwise showing his interest in the development and improvement of range management.
 - If the candidate is a businessman or a representative of business, he should display unselfish interest and activity towards the advancement and improvement of range management. He should be actively engaged in and giving support to the various programs and organizations dedicated to range management.
4. This final criterion must be given high priority in selection of a candidate and award winner. The candidate must have made a contribution to the advancement of the art and science of range management that is worthy of special recognition. It may have been made during the past year, or a previous year, but the contribution must still be recognized for its merit. Such contribution may consist of a new and better method of doing something in the range management or treatment field, an outstanding research project that has been significant in its result, and outstanding article, publication, or information activity that has been widely acclaimed, development and application of an outstanding treatment and management program on an operating unit, unusual leadership in either ranching or professional field or range conservation and management. These are examples, but not all, of the outstanding contributions that may be considered for an award.
5. Each recipient of the Outstanding Contribution to Rangeland Management Award shall receive a suitably worded plaque at the Annual Meeting.

NOMINATIONS DUE TO COMMITTEE CHAIR JUNE 1ST.

Texas Section Society for Range Management

FELLOW AWARD

The title of Fellow is conferred upon members of the TSSRM in recognition of exceptional service to the Section and its programs in advancing the science and art of range-related resource management. This high honor is granted in belief that special recognition should be given for exceptional and dedicated service to the Texas Section (adopted October 11, 1989).

Selection Criteria

1. The primary criterion for selection of a recipient for this award is tangible evidence that the exceptional service performed by the nominee is widely effective and generally recognized throughout the Texas Section.
2. Sufficient evidence must support the nomination to present a strong case history of continuous contribution and service.
3. Membership in the Texas Section for at least ten consecutive years and evidence of significant participation in, and contribution to, progress of the Texas Section during this period is required.

Awards Presentation

1. No more than one Texas Section member will receive the Fellow Award in any one year. It shall not be mandatory that a Fellow Award be presented each year.
2. Each recipient of the Fellow Award will receive a suitable worded plaque at the annual meeting.

NOMINATIONS DUE TO COMMITTEE CHAIR JUNE 1ST.

Texas Section Society for Range Management

OUTSTANDING ACHIEVEMENT AWARD

The Outstanding Achievement Award is presented by the TSSRM for outstanding achievement to members and other qualified individuals and groups working with rangelands.

Selection Criteria

1. The primary requisite for this award is tangible evidence that the professional contribution of the nominee is eminently note-worthy. Emphasis should be given to acknowledge currently recognized eminence.
2. The qualifying reputation of the recipient must be at least state-wide in scope.
3. Both individuals and groups working as a team are eligible for the Outstanding Achievement Award. Only one member of the team or group must be a member.
4. Qualifying contributions may be, but are not necessarily limited to: technical assistance, management practices, research, extension, administration, teaching, writing, legislation, foreign affairs, business activities, or public relations. Among those to be considered are ranchers, technicians and administrators in land management agencies who have conducted superior rangeland management practices; scientists who have developed and conducted research leading to the solution of major problems in range and related resource management; university professors who have been especially effective in training range management students; extension specialists who have motivated ranchers and others on a wide scale to adapt superior resource management practices; and persons who have shown outstanding perception and legislative ability in contributing significantly to resource management at a state, national, or international level.

Award Presentation

1. The number of awards presented annually shall be limited to a total of 4 individuals and/or teams.
 - Additionally, the awards will be presented as follows: ½ to land stewardship and ½ to academia/research. In the event that not enough eligible nominees are submitted in either stewardship or academia/research, then the remaining awards may be made available to eligible nominees in the other category.
2. Each recipient of the Outstanding Achievement Award will receive an embossed, suitably worded certificate and a citation.

NOMINATIONS DUE TO COMMITTEE CHAIR AUGUST 15TH.

Texas Section Society for Range Management

OUTSTANDING YOUNG RANGE PROFESSIONAL AWARD

The Outstanding Young Range Professional Award is presented by the TSSRM to an individual member who has demonstrated extraordinary potential and promise as a range management professional. This award is presented as an encouragement for outstanding performance by young men and women entering the profession of range management.

Selection Criteria

1. The primary criterion for this award is tangible evidence that the nominee's accomplishments demonstrate extraordinary potential and promise as a future leader in the range profession.
2. Demonstration of leadership and professional potential may be in all facets of range management, including ranch management, agency employment, research, and education. Generally, demonstrated potential across a broad perspective is better than specialized attainments in a single area.
3. A nominee's participation in the Society activities, particularly at the Section level, is desirable. Membership in the Society is required.
4. The nominee shall have not reached his or her 39th birthday by January 1st of the year the award is to be conferred; e.g., if the recipient was to receive the award at the 1996 annual meeting, that person could not have reached his/her 39th birthday prior to January 1, 1996.
5. A recipient of this award shall not be eligible to receive this award again.

Award Presentation

1. Only one (1) Outstanding Young Professional Award shall be presented in any given year.
2. Each recipient of this award shall receive an embossed, suitably worded certificate and citation.

NOMINATIONS DUE TO COMMITTEE CHAIR AUGUST 15TH.

Texas Section Society for Range Management

SPECIAL RECOGNITION AWARDS

The Special Recognition Award is to provide the TSSRM an opportunity to occasionally recognize certain individuals for the outstanding contributions they have made to the general field of range management. This is not an annual award nor is it limited to a set number of awards in any one year. Any individual is eligible for nomination.

Selection Criteria:

1. Nominations must be submitted to Awards Committee.
2. The BOD will make the final decision on those nominee(s) recommended by the Awards Committee.
3. The Awards Committee will present its recommendation(s) in closed session to the Board at the Summer Business Meeting.

Award Presentation:

1. Each recipient of this award shall receive an embossed, suitably worded certificate and citation.

Any undergraduate student in any regular university course of study may compete for individual honors. Team members will be automatically entered in the individual competition. There is a four (4) year limit to eligibility.

Source of Plant Specimens

Study specimens

The TSSRM master list of plants will be selected by the Collegiate Plant Identification sub-committee. This sub-committee will serve under the College Activities Committee. All questions regarding family, genus, and specific epithet of study specimens should be directed to the Collegiate Plant Identification sub-committee.

The College Activities Chair will distribute the TSSRM master list to each participating university/college every year. Each university/college may assist in collecting and providing unmounted specimens of these plants to other participating schools.

Contest specimens

Each contest specimens will be collected by the Collegiate Plant Identification sub-committee, College Activities Chair, or volunteers with knowledge in taxonomic characteristics of plants. The contest will comprise primarily of live and/or freshly collected plants. However, mounted specimens may be used in the contest and when weather conditions are not favorable for an outdoor contest.

Contest Procedure

1. A minimum of fifty (50) plants, appearing on the master plant list, will be selected.
2. Plant specimens may be live potted plants, freshly collected, or mounted. A mounted specimen will be on standard 11 x 16 1/2 inch herbarium paper. The specimens will not be covered with any protective material.
3. Each specimen must show a sufficient characteristic(s) to aid in proper identification. Plant team coaches will view the contest specimens beginning approximately thirty (30) minutes prior to the contest. A specimen may be removed from the contest if it is misidentified.
4. A minimum distance between each contest specimen at the contest will be about twenty-two (22) inches.
5. Contestants must be registered for the TSSRM annual meeting and wear the appropriate name-tag to enter the contest room.
6. Contestants will have fifty-five (55) seconds to write in the family or tribe, genus, and specific epithet, and to check the longevity and origin columns. Five (5) seconds will be allowed to move to the next plant. Total elapsed time per plant will be one (1) minute.
7. Contestants will have three (3) minutes at the end of the contest to check their papers. Contestants will not be allowed to look at a plant a second time.
8. While the contest is in progress there shall be no conferring between contestants. Only the contestants and designated supervisors will be in the contest room during the contest.
9. Contestants will not be permitted to handle the plants or mounts. A hand lens should be used to assist in the identification of plants, but cannot touch the plant specimen during the test.
10. Specimens:
 - a. There will be no restriction on the number of duplicate plants or mounts.
 - b. Grasses must show a spikelet.
 - c. Seedlings of woody plants should show a perennial characteristic.
 - d. Specimens will remain in the contest when characters are destroyed by other contestants.
11. If a contestant leaves the contest for the bathroom or sickness, he/she will not be readmitted.
12. Contestants must not write on plant mounts in the contest.
13. Clothing with illustrations of plants from the Master List will not be allowed in the contest.
14. Coaches should inform the College Activities Chair or sub-committee member of any people with disabilities that make standing difficult.
15. Teams will supply their own clipboards that will not have paper or letters written on clipboards to

gain an unfair advantage.

16. Student's should raise their hands if a question or problem arises during the competition. A sub-committee member will assist in answering the question.

Contest Scoring

1. Team coaches and volunteers will score the contestants papers. The original test papers will not be returned to the coaches or students.
2. Scoring will be as follows:

- a. Ten points are assigned to each plant as follows:

Family or tribe	2
Genus	3
Specific Epithet	3
Longevity	1
Origin	<u>1</u>
	10

- b. Each of the above is scored separately for each plant.
 - c. One point will be deducted for each family or tribe, genus or specific epithet that is correctly identified but misspelled.

Contest Awards

1. Team and individual awards will be given for the 3 teams and individuals with the highest scores. In the event of tie scores for team or individual places, duplicate awards will be given.

ENDOWMENT

(Amended 10/12/2011)

PURPOSE

The purpose of the Endowment Fund Committee is to raise funds for the Endowment Fund, to coordinate with the Board of Directors (BOD) making funds available for specially designated projects selected by the BOD, and to oversee the Endowment Fund Guidelines and their implementation by the Investment Committee.

PRIMARY DUTIES

1. Initiate efforts to inform ranchers, range technicians, range scientists, and the general public about the Endowment Fund.
2. Contact potential donors.
3. Carry out some type of fund raiser each year either locally or within TSSRM to actively increase the endowment fund principle. These fund raisers may include raffles at other conventions, sales of merchandise, etc. Fund raisers planned for the TSSRM Annual Meeting have to be coordinated with the TSSRM BOD since the silent auctions, etc are authorized on a rotating basis with other fund committees and groups. Fund raisers from the private sector should be performed during years when TSSRM annual meeting fund raisers are not authorized but must be done with the consent of the BOD.
4. Coordinate with BOD on uses of the funds for selected special projects or uses.
5. The Endowment Fund will often solicit aid from TSSRM members in various fund raising efforts. The committee will provide an accurate accounting of the receipts to the Treasurer. The Treasurer will deposit the funds in the Endowment Fund.
6. All donations to the Endowment Fund will be acknowledged to the donor by the Committee Chair or Incoming Chair, with a copy to the Treasurer.
7. The out-going Endowment Fund Committee Chair will brief the incoming Chair.

ENDOWMENT FUND GUIDELINES

1. Donations to the Endowment Fund will be designated as Corpus.
2. Income from interest and/or dividends earned the prior year will be available the next coming year for special projects designated by the BOD. Any unused income will be designated as Corpus at the end of each year. Corpus cannot be used for projects.
3. Income earned the previous year and designated for a special project will be paid out of cash assets in the money market account. Cash reserves in excess of the prior year's income will be considered Corpus and are not available for special projects. Long term projects may require the income to be directed to the money market fund rather than rolling it back into the investment fund for more than one year. During years of no designated projects by the BOD, all income from the previous year will be designated as Corpus.

Investment Committee

(6/16/2016)

1. The Investment Fund Committee will be composed of three members appointed by the Board of Directors (BOD) and will serve at the pleasure of the BOD. The Board of Directors will appoint one new member to the Investment Fund Committee each year, with one member retiring from the committee, or at its pleasure choose to keep all three members in place. The TSSRM Treasurer will serve as an advisory member.
2. This Investment Fund Committee will oversee and manage the TSSRM investments that are placed with a corporate Investment Firm. The funds will be managed according to the Revised TSSRM Investment Criteria of Appendix E. Each fund committee, the Memorial Scholarship Fund (MSF), the Billy Wyche Jr. Memorial Scholarship Fund (BWMSF), the Youth Activities Endowment Fund (YACEF), and the Endowment Fund (EF) can be managed according to individual fund committee guidelines, goals, and objectives.
3. The most senior member of the Investment Fund Committee will serve as chairman and will appoint a vice chairman. The chairman of the Investment Fund Committee or the vice-chairman if the chairman is unavailable will be authorized to notify the investment advisor to act on decisions of the committee as approved by the BOD. The chairman or vice chairman in absence of Chairman is to prepare reports for quarterly board meetings. Meetings may be called by the chairperson or at the request of other committee members to conduct time sensitive business. Committee meetings may be in person, teleconference, or by e-mail. All decisions involving investment of funds will require BOD approval. The Investment Fund Committee is made up of three voting members and the TSSRM Treasurer who serves as an advisory member. The investment advisor will communicate with those members of the Investment Committee until officially notified of any changes in membership by the president of TSSRM.
4. Income and donations will go through the TSSRM Treasurer who will forward them to the Investment Advisor. Notice of funds provided directly to the treasurer will be given to the Investment Committee chairperson and to the appropriate Fund committee chairperson. This will insure proper documentation for TSSRM.
5. Financial statements will be sent from Investment Advisor to the Investment Fund Committee chairperson. The original investment statements will immediately be provided to the TSSRM treasurer. The treasurer will be on the mailing list for the original 1099's for Federal Income Tax Purposes.
6. Oversee and manage investments that are placed with a corporate investment firm.
 - Duties
 - The Committee will routinely review and discuss performance with advisor.
 - The firm will annually review goals and objectives and risks tolerance of each fund, and discuss any changes with Investment Advisor.
 - Committee will review the actions and performance of Investment Advisor to insure the goals of the funds per the policy Appendix E are being met.
7. The Investment Committee will report the committee's activities, investment reports, and proposals to the BOD at their regular scheduled meetings. The Chair or Vice Chair is to submit a committee report (using the developed committee report form) to the President prior to the scheduled BOD meeting or as required by the TSSRM secretary.

FINANCIAL AUDIT

PURPOSE

The primary purpose of the Financial Audit Committee is to audit the Section's financial records.

STRUCTURE

The committee will consist of a minimum of three members including the Audit Coordinator.

PRIMARY DUTIES

- 1 Conduct a complete examination of the financial records as soon as possible after the end of the fiscal year (adopted Oct. 1991) and whenever a change is made in the Treasurer.
- 2 Report results of audit to the President.
- 3 Report the committee's activities and recommendations to improve accuracy of financial records to the BOD at their regularly scheduled meetings.
- 4 Submit a written report on the status of each of committee's respective funds to the President and Treasurer in April (4 to 8 weeks prior to the summer BOD meeting).
- 5 Accounting records will be submitted to the Financial Audit Committee within *60 days* after the close of the fiscal year each year, and the Audit Committee will send a corresponding report on the findings to the BOD prior to the summer BOD meeting.
- 6 Refer to the Financial Audit Committee Guideline - Appendix L for additional Committee Guidelines, Auditing Guidelines and Financial Documentation Guidelines.
- 7 Chair/Chair-Elect to submit Committee Report (using developed committee report form) to the President two weeks prior to a Board of Directors Meeting (via email or fax).

TSSRM POLICY ON CHECKING ACCOUNTS:

Void Checks. Write void on all voided checks and enclose them with the appropriate bank statement. Write void on all unused checks and enclose them with the last bank statement.

Check all expenditures to make sure we did not pay sales tax. It is much easier to get a refund from a merchant before they make their payments to the State of Texas. TSSRM - Treasurer has the forms needed to show we are tax exempt.

Checking. Each checking account that the Texas Section Society for Range Management authorizes will have the treasurer and one member that will be able to sign checks. This will provide for "Right of Survivorship". The TSSRM treasurer will have custodial care of the check book write all checks. Revenues and expenditures should reflect only the authorized activity of each fund or temporary account. All accounts are named as follows - Texas Section Society for Range Management - _____. Quarterly, the First Vice President will review and reconcile all TSSRM bank statements.

GRASS ROOTS AWARDS

PURPOSE

To recognize excellence in on-the-ground, local, grassroots work in range management, select recipients from NRCS, Texas AgriLife Extension, Ag Science Teacher, and Friend of TSSRM.

STRUCTURE

Committee should consist of at least seven members. No more than one-half (½) of the members should be replaced each year. The Chair will be annually appointed by the President and ratified by the BOD.

PRIMARY DUTIES

- 1 Solicit nominations for award recipients in four categories:
 - a) County Extension Agent

TSSRM/TSCRA OUTSTANDING RANGELAND STEWARDSHIP (ORS) AWARD

PURPOSE

The purpose of this committee is to recognize those who have demonstrated outstanding skill and knowledge in practicing sound management and care of rangeland resources. This is a competitive award and only one will be given each year. This award is linked to the ranch. Once a ranch has received the award, it is not eligible to receive it again. If more than one ranch is owned and/or operated by the same person, each ranch is eligible. It is the responsibility of the committee to solicit nominations and select recipients for the award. The recipient must be a member of the Texas and Southwestern Cattle Raisers Association (TSCRA); membership in the TSSRM is desirable, but not specifically required.

STRUCTURE

This committee should have at least 12 members with two co-chairs – one from TSSRM and one from TSCRA. Six members will be from each organization. Not more than one-half of the committee membership will be replaced each year.

PRIMARY DUTIES

1. Mail ORS nomination forms to agencies, TSSRM and TSCRA for distribution in early spring, so that high quality nominations and slides can be developed. Coordinate awards process with TSSRM **Grass Roots** Newsletter and TSCRA's **The Cattleman** magazine. (Annual deadline for submission is June 1st.)
2. Committee representatives will make field visits to most deserving nominations.
3. Select recipient for the Outstanding Rangeland Stewardship Award by August 1st.
4. Notify recipient of this award and determine whether or not they can be present at the TSCRA annual meeting of both associations. Notify nominator that they should see to it that the awardee is escorted and assisted at the TSCRA annual meeting and made to feel welcome.
5. Send letter of recognition to nominees who were not selected.
6. Coordinate with TSCRA Annual Meeting Committees for TSSRM and for number of banquet tickets, photographer, registration, and visual aid needs.
7. Have gate signs made including ranch name and date.
8. Have awards presentation typed, edited, and slides prepared one month prior to annual meeting. (Nominators should furnish PowerPoint Presentation with 5 to 10 slides ready for narration).
9. Coordinate with the annual meeting committee to determine how the award will be given. Prepare a slide presentation to be presented at the Awards Banquet and coordinate with appropriate media personnel at the annual meeting.
10. Present awards to the recipient at the TSCRA annual meeting. Mail certificates to recipient not able to attend. Strongly recommend a nice ceremony and publicity for recipient unable to attend the annual meeting.

13. A list of any awards presented is to be sent to the President, Newsletter Editor, Archivist, and the Secretary.
16. Brief incoming Chair.

OUTSTANDING RANGELAND STEWARDSHIP (ORS) AWARD

The Texas Section Society for Range Management (TSSRM) is a professional scientific society and conservation organization whose members are concerned with studying, conserving, managing and sustaining the varied resources of rangelands. TSSRM is dedicated to supporting persons who work with rangelands and have a commitment to their sustainable use (www.texassrm.org) TSSRM is the local section of the international Society for Range Management (www.rangelands.org), currently comprised of over 3200 members from 24 countries.

Texas and Southwestern Cattle Raisers (TSCRA) is a grass roots organization composed of cattle producers and operators and other businesses of all size, backgrounds, ages and incomes located primarily in Texas and Oklahoma. TSRA offers unique services through its law enforcement and livestock inspection divisions, which protect those involved in the cattle business. TSCRA also provides a strong, unified voice for producers and others concerned with legislation and regulation. It is a classroom for cattle producers seeking additional knowledge on how to be more profitable, whether they are just starting out or have been ranching all their lives. Whenever those associated with the ranching industry have a common need, TSCRA is there to lend a hand. (<https://www.tscra.org>).

Texas Grazing Land Coalition (TXGLC) is an organization made up of ten regional coalitions across Texas that works closely with USDA NRCS and other partners, including TSCRA and TSSRM as well as Texas Farm Bureau, Texas Wildlife Association and many others. The purpose of the organization is to provide technical assistance and educational opportunities to encourage excellent land stewardship on range and pasture lands in Texas. Regional coalitions are made up of local ranchers sharing ideas and tackling local challenges. (www.texasglc.org).

The purpose of this award is to recognize those cattle producers who have demonstrated outstanding skill and knowledge in practicing sound range management and care of the rangeland resources. This is a competitive award, with only one awarded annually. This award is linked to a ranch. Once a ranch has received the award, it is not eligible to receive it again. If more than one ranch is owned and operated by the same person, each ranch is eligible.

Nominations shall be made by persons who are well acquainted with the ranching and range management practices of the nominee. Nominations may be made by anyone.

The nomination process is two-tiered. The first round of nominations submitted are a one-page summary prepared by the nominator describing the accomplishments of the nominee with regard to evaluation criteria. Two TSSRM members, in addition to the nominator, must sign on to the nomination. If necessary, the ORS committee will visit the ranches nominated to select the winner. Ranch visits may be necessary to obtain documentation, photos, etc. From this pool of submissions, the committee will select one ranch as the winner.

Recipient must be a member of TSCRA. Membership in TSSRM is desirable, but not a requirement. Nominees need not be members of National Cattleman's Beef Association, but they must support the NCBA mission, *working to increase profit opportunities for cattle and beef producers by enhancing the business climate and building*

consumer demand.

The ORS AWARD WINNER will be recognized during the TSSRM Awards Luncheon at its annual meeting. Additionally, the winner will be recognized by TSCRA during their annual convention. The nominator will assist the award committee in developing a quality power point presentation of the ranch highlights to be shown during the presentation.

Key to a successful application: Provide specific examples and results of stewardship practices

A sample successful application can be found at <https://hill.beef.org>

Evaluation Criteria:

1. Environmental Stewardship Practices, Accomplishments and Goals (40 Points) By Stewardship, we mean environmentally beneficial management of rangeland resources.
2. Local, Regional and National Leadership Activities that Improve Conservation Perception of the Cattle Industry. (30 points)
3. Endorsements from individuals, Cattle Groups, Conservation Organizations and/or Government Agencies (limited to five pages) (15 points)
4. Economic Viability and Size of Operation (15 points)

Mail or email one page narratives, the information page, and letters of endorsement, by JUNE 1 to:

Submission to the Environmental Stewardship Award Program

With leadership by Texas and Southwestern Cattle Raisers Association, the TSSRM/TSCRA/TXGLC ORS Award winner will compete for one of seven regional awards in the NCBA Environmental Stewardship Award Program (ESAP) based upon their residency. The seven regional winners will then compete for the NCBA national Environmental Stewardship Award.

Winners will be expected to attend the Cattle Industry Summer Conference and Annual Convention, as a guest of Corteva Agrisciences and NRCS. Winners will be honored for their stewardship and receive their award.

In order to assist TSCRA with this next step in developing the ESAP award nomination, the nominator of the winning TSSRM/ORS ranch will develop a more complete nomination package. The enhanced nomination package will include:

- Additional narrative to fully describe the ranch conservation activities, listing examples of stewardship practices along with a comprehensive description of the ranch, not to exceed 12 pages.
- Additional photographs to develop a power point suitable for the ESAP guidelines.
- Videotapes will not be accepted
- Nomination packets will not be returned
- Information should be submitted electronically to TSCRA.

PLANNING

Amended 07/07 by BOD

PURPOSE

The primary purpose of the Planning Committee is to provide continuing review and development of the Section organization, administration, financing, programs, short-term and long-range goals. The responsibility of this committee is in areas that require action by the Board or the Section Membership for any proposed changes; therefore, this committee will be advisory to the Board.

STRUCTURE

Co-chairs are the Second Vice President and the immediate Past President. Appointments will be made and vacancies filled at the discretion of the Chair, with approval of the President.

Continuing responsibilities are required within the committee; thus close communication with the President, Board and committees with closely related functions, as well as knowledge of the history of the Section is desirable. Inclusion of past presidents and/or directors should be considered in appointing the membership.

PRIMARY DUTIES

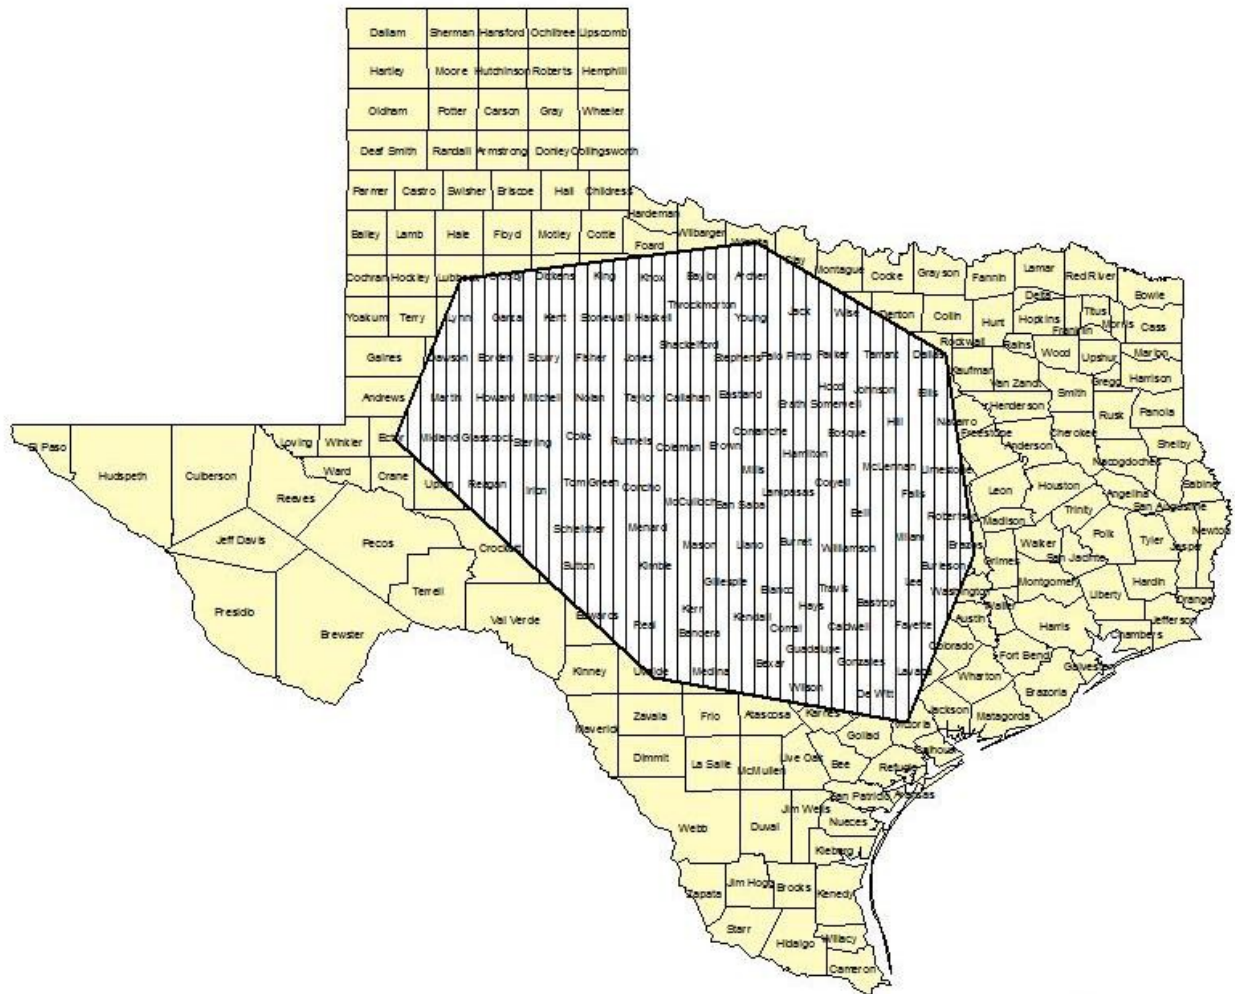

- 1 Establish short-term goals and assign priorities. Goals may originate within the committee or be recommended by the BOD, other committees or individuals. Examples of goals: monitoring and improvement of annual meetings, publications, membership, contemporary management issues.
- 2 Establish long-range goals and assign priorities. Goals may originate as in No. 1. Examples: organizational structure, financial needs, relations with other organizations and public relations programs.
- 3 Develop guidelines for accomplishing short-term and long-term goals.
- 4 Review past and present Section projects, handbook, establish priorities and methods of accomplishing future projects.
- 5 Review professional education and training needs for members and attempt to match the annual meeting site, program format, etc to fit those needs.
- 6 Recommend the site for the Annual Meeting.
- 7 Report the committee's activities and proposals to the BOD at their regularly scheduled meetings. Submit a written report on the status of committee's respective funds to the president and the treasurer three weeks prior to scheduled BOD meetings (adopted January 1989).
- 8 Chair/Chair-Elect to submit Committee Report (using developed committee report form) to the President two weeks prior to a Board of Directors meeting (via email or fax).
- 9 Inform incoming Chair.

PROCEDURE FOR SELECTING ANNUAL MEETING LOCATIONS **(approved - BOD 7/13/07)**

- 1 The chair of the planning committee will select a minimum of 6 members to review bid proposals for TSSRM Annual Meetings.
- 2 It is left to the discretion of the planning committee on how cities will be selected initially for bid submission. It is advisable to announce in the May-June Grassroots that any member can have a bid submitted to the Planning Committee. The committee will use the Texas map attached to these guidelines for meeting selection. Three (3) out of every four (4) annual meetings should be held in the core area as delineated on the map. This policy will commence with the 2010 TSSRM Annual Meeting.
- 3 The TSSRM Planning Committee will make a recommendation to the TSSRM BOD prior to their winter BOD meeting. The TSSRM BOD will finalize the selection of the successful CVB proposal at the winter BOD meeting, following the TSSRM Annual Meeting where the bids were reviewed. Each CVB will be notified by the TSSRM Planning Committee Chair no later than March 1st as to the status of their bid.
- 4 Upon selection, the Second Vice-President will become the lead BOD contact with the selected CVB and the Annual Meeting Committee (to be selected), as the 2VP will become President during this annual meeting.

**MEETINGS TO BE HELD WITHIN CORE ARE A THREE YEARS IN FOUR, UNLESS APPROVED BY BOD –
RECOMMENDED THAT CONSECUTIVE ANNUAL MEETINGS BE AT LEAST 100 MILES APART**

PROCEDURE FOR SELECTING ANNUAL MEETING LOCATIONS

(approved - BOD 7/13/07)

IT IS FURTHER RECOMMENDED THAT HOST CITIES FOR CONSECUTIVE YEARS BE AT LEAST 100 MILES APART, TO INCREASE DIVERSITY OF POTENTIAL TECHNICAL TOUR SITES.

Annual Meeting Site Selection Process

Like the parent society, the Texas Section has been trying to determine the best approach for selecting annual meeting locations. The board evaluated the current procedure at its April meeting and a decision was made to suspend the current procedure while we continue to work on a selection procedure.

Proposals to host an annual meeting can be submitted by TSSRM members or a Convention and Visitor's Bureau. The annual meeting committee will not be receiving monies from CVB's vying to host our annual meeting.

Those members wanting to submit a meeting proposal should contact the Planning Committee chair no later than August 1 indicating their interest in submitting a bid.

Items to be discussed in the bid proposal are:

- A Dates proposed for annual meeting
- B Will this be an outdoor or indoor annual meeting?
- C Meeting location
 - 1. Name of motel(s)
 - 2. Room cost
 - 3. How many room nights per comp room?
 - 4. Will the property provide a complimentary suite?
- D Are convention facilities on-site?
 - 1. If not, what is the distance to meeting facilities?
 - 2. Cost for use of meeting facilities?
 - 3. If off-site, will there be a shuttle service?
- E Are there members in the immediate area that would be willing to serve as annual meeting chair or co-chair?
- F Profit projection
- G Other items that you think would help strengthen your bid proposal should be added and are encouraged.

The completed bids must be submitted to Planning Committee Chair no later than September 15. The planning committee will meet at the TSSRM Annual Meeting in Lubbock to review proposals and make a decision on which proposal to recommend to the board for approval.

PUBLIC AFFAIRS

PURPOSE

The primary purpose of the Public Affairs Committee is to assist the Section and its officers by providing guidance in matters involving public affairs relating to the concerns of state and national range resources and uses. The committee provides the mechanism for the Section to exert constructive influence on decisions and actions, which have bearing on the welfare of range ecosystems and their products.

STRUCTURE

The Chair will select members of the committee. The committee should be small enough to provide for a close working relationship among members. A diversity of occupations among members should be provided in order to better represent the broad interests of Section membership.

Subcommittees may be formed, as needed, to deal with specific issues or expedite work. Committee duties will not be assigned to non-committee members, but the committee should consult with and seek input from Section members.

PRIMARY DUTIES

- 1 Keep up-to-date and alert to issues and activities within the state which relate to concerns of the Section. If such issues or activities appear to have national significance, they should be brought to the attention of the Society Public Affairs Committee. Encourage Section members to be alert to issues throughout the state and bring them to the attention of the Public Affairs Committee if believed necessary.
- 2 Monitor or keep informed on new or proposed state legislation, which deal with or has effect on rangelands or range resources. Advise the Section President of foreseeable conflicts and opportunities for input of needed facts or information concerning rangelands. Provide timely and accurate information and guidance to the President and BOD concerning issues, problems and state legislation that affects rangeland and range resources.
- 3 As deemed necessary, prepare Position Statements of the Section on matters of interest within the State (is this the role of Public Affairs or Resolutions?). Position statements and/or resolutions will be submitted to the Resolutions Committee according to established procedure. The committee will make every effort to properly represent the feelings of the overall Section membership in preparation of statements and comments. This will be done by maintaining contact with a broad representation of members, encouraging member input, or other methods, such as, opinion questionnaires.
- 4 Review and prepare comments on environmental reports and statements published by agencies or other organizations.
- 5 The committee will maintain liaison with the Natural Resource Agencies, environmental groups, professional organizations concerned primarily with natural resources and other groups and organizations involved in natural resource activities.
- 6 Due to the nature of some public issues, reaction by the committee must be prompt to be most effective. In such instances, telephone communications between the committee Chair, committee members, the Section President or Section members will be used. In most cases, business will be conducted by email, with distribution of hard copies as appropriate.
- 7 Coordinate public affairs activities with activities of other Section committees and with the SRM Public Affairs Committee.
- 8 Report, as appropriate, the committee's activities, budget needs and recommendations prior to the Board's regularly scheduled meetings. Prepare a written report as necessary.
- 9 Provide to the Archivist copies of position statements and/or resolutions developed by the committee with statement indicating action taken by the BOD.
- 10 Chair/Chair-Elect to submit Committee Report (using developed committee report form) to the President two weeks prior to a Board of Directors Meeting (via email or fax).
- 11 Brief incoming Chair.

PUBLICATION AWARDS

(Approved by BOD 1/6/95)

PURPOSE

To recognize literary and scholarly efforts in publicizing range management practices, philosophies and research activities. Three categories are available for recognition: Technical Writing, Popular Article, and Special Category.

STRUCTURE

Chair-Elect is appointed by First Vice President. When 1st VP becomes President, Chair-Elect becomes Committee Chair. Chair will select committee members who have a diversity of range management expertise and occupations.

No more than one award per the following categories (except as noted in item five below) should be presented annually to recognize excellence within each of the following categories. However, in case of tie votes, the committee has the discretion of either awarding duplicate awards or resolving the tie by a means agreeable to a majority of the committee.

- 1 **Technical Writing:** articles directed primarily towards fellow scientists which advance the knowledge of range management/science in Texas;
- 2 **Popular Article:** articles directed primarily towards range managers, landowners, or the general public (e.g., fact sheets, news articles);
- 3 **Special Category:** contributions that do not fit appropriately in either (a) or (b) (e.g., book chapter, poetry, editorial).

NOTES:

- a) TSSRM membership is a requirement for eligibility in the "Technical Writing" and "Popular Article" categories. If multiple authors, then at least one author shall be a TSSRM member. (BOD 1/6/95)
 - ◆ TSSRM membership is not a prerequisite for submission in the "Special Category"(BOD 1/6/95)
- b) If a submission for an category is received from a person (author or co-author) currently serving on the Committee, he/she should abstain from voting for that category. (BOD 1/6/95)

PRIMARY DUTIES

- 1 Solicit nominations on an annual basis for each of the above categories. Committee members should canvass other TSSRM members, review popular and technical literature, and actively solicit nominations via newsletter.
 - a) Nominations shall have been published within two (2) calendar years of the year for which they are being submitted.
 - b) Nominations should be collected no later than sixty (60) days prior to the Annual Meeting and sent to all committee members for review and ranking.
- 2 Recipients of awards should be selected based upon total rank scores from within the committee as determined by the Chair.
- 3 Ensure that all awards recipients, to the extent possible, remain confidential until the awards are presented at the Annual Meeting.
- 4 Suitably embossed plaques should be presented to recipients by the Chair at the Annual Meeting.
- 5 Prepare and distribute appropriate publicity about award recipients. Have news releases ready at the Annual Meeting.
- 6 Provide information on award recipients to the Archivist.
- 7 Report the committee's activities and recommendations to the BOD at regular intervals.
- 8 Chair/Chair-Elect to submit Committee Report (using developed committee report form) to the President two weeks prior to a Board of Directors Meeting (via email or fax).
- 9 A list of any awards presented is to be sent to the President, Newsletter Editor, Archivist, and the Secretary.
- 10 Brief incoming Chair.

RESOLUTIONS

PURPOSE

The primary purpose of the Resolutions Committee is to review and recommend action to the BOD on resolutions and position statements proposed by a Section committee or member. A secondary purpose of the Committee is to reduce the chance that the Section will accept or reject resolutions without adequate time for review and consideration of necessary documentation and/or discussion of all elements involved and to ensure that resolutions reflect a majority of opinion of the membership.

STRUCTURE

The Chair is the immediate Past President. Members of the committee will be the ten (10) most recent Section Past Presidents that are current Section members. (BOD April 2009)

PRIMARY DUTIES

- 1 Review proposed resolutions and position statements. Resolutions should be received by the committee no later than 30 days prior to the Annual Meeting.
- 2 Recommend action on each resolution and position statement to the BOD.
- 3 Inform membership via an article in the Newsletter about procedure for approval of resolutions. Articles should be published early in the year.
- 4 Report the committee's activities and recommendations to the BOD at their regularly scheduled meetings. Submit a written report on the status of committee's respective funds to the president and the treasurer three weeks prior to scheduled BOD meetings (adopted January 1989).
- 5 Chair/Chair-Elect to submit Committee Report (using developed committee report form) to the President two weeks prior to a Board of Directors Meeting (via email or fax).

RESPONSE TO PUBLIC ISSUES

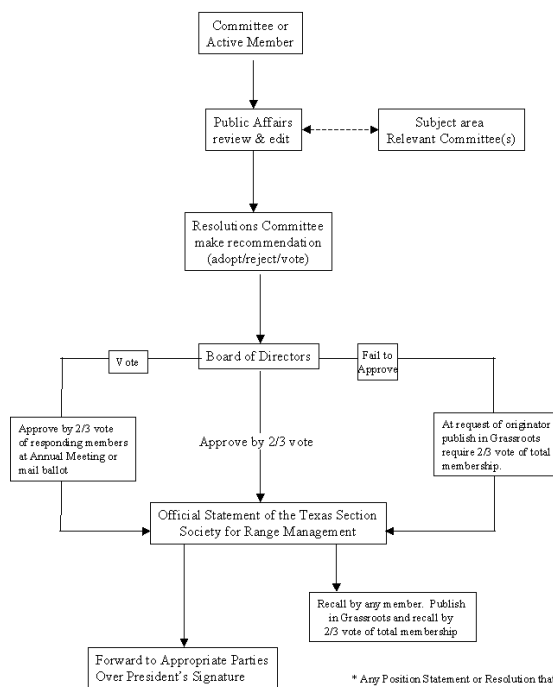

(revised October 2002)

The Texas Section SRM has a long tradition as a spokesman for professional range people in Texas on public issues involving or relating to the art and science of range management. In its role as a nonprofit professional organization, it is important and proper for the Texas Section to respond to public issues which may affect the management of the State's rangeland and ranges. These responses can be in the form of input to legislation when requested by a legislator; comment on agency rule making; or response to any action affecting Texas rangelands. Official Texas Section, SRM responses will take the form of either a Position Statement or a Resolution. Any response by the Texas Section SRM must be within the parameters of Policy Statements of the Society. Position Statements are an unequivocal statement of posture or attitude in regard to a specific issue. Resolutions are a formal expression of opinion requesting and encouraging action to resolve a Policy Statement of the Society.

Procedures to provide for orderly, timely, and professional responses are:

1. Position Statements and Resolutions may be introduced by any Texas Section member or section committee. The Board may originate a Position Statement or Resolution at any time to meet emergency situations. Resolutions will be received by the Public Affairs Committee no later than 30 days prior to the Annual Meeting.
2. Position Statements and Resolutions will be forwarded to the Public Affairs Committee, which will review the statement to ensure that it is within the parameters of Society Policy. The Public Affairs committee may edit a statement to ensure that it is in compliance with Society Policy and that it represents the diverse opinions of the Texas Section membership. Position Statements and Resolutions may also be sent to appropriate committees to ensure they are technically correct.
3. A Resolutions Committee, made up of past Section Presidents, will be appointed by the President. The Resolutions Committee will either recommend the Section adopt action on a Position Statement or Resolution or that no action be taken.
4. To become official statements of the Texas Section SRM Position Statements and Resolutions must receive a two-thirds (2/3) vote of approval by the Board of Directors, or the Board may poll the membership at the annual meeting or with a mail ballot. If the membership is polled passage will require a two-thirds (2/3) vote of responding members. Official statements of the Texas Section SRM are forwarded to the appropriate parties with the president's signature.
5. Position Statements and Resolutions that are not approved by the Board of Directors may at the request of the originator be published in the Texas Section Newsletter and will require a two-thirds (2/3) vote of the entire membership to be adopted as an official statement of the Texas Section SRM.
6. Any member may request a recall of a resolution or position statement that is passed by the above procedures. Upon request for a recall the resolution or position statement will be published in the Texas Section Newsletter and must receive a two-thirds (2/3) vote of the entire membership to be rescinded.
7. Official statements of the Texas Section SRM are forwarded to the appropriate parties with the president's signature.

TSSRM Position Statement and Resolution Formulation

* Any Position Statement or Resolution that is not adopted by one of the 3 paths shown is rejected.

All Resolutions adopted by the Texas Section Society for Range Management will be filed in Appendix O of the Administrative Handbook (BOD 02/05/93)

YOUNG PROFESSIONALS

PURPOSE

Integrate young or new members into the society. Develop a continuum that maintains/improves information exchange and experience sharing among generations within SRM.

This committee is responsible for hosting events that will improve the appeal of the section to young professionals in an effort to increase new member recruitment, retention, involvement, and communication within SRM.

STRUCTURE

Membership is open to all Texas Section SRM members that are under the age of 40 years old. A chair will be appointed serving two-year terms.

PRIMARY DUTIES

1. **Young Professionals and Student Paper and Poster Presentation.** Solicit oral and poster presentations, provide moderator, and secure presentation spaces.
2. Host a Young Professionals session and Young Professionals breakfast at the annual TSSRM meeting.
3. Assist Membership Committee with new member recruitment and retention.
4. Chair to submit Committee Report (using developed committee report form) to the President two weeks prior to Board of Directors Meeting (via email or fax).
5. (BOD July 2008) Assigned the task of developing 1 to 2 page (one page front and back) informational fliers on a variety of rangeland related topics to be used in the Section Informational Booth to increase the visibility of the section and help with outreach and membership recruitment. It is suggested that the Young Professionals Committee coordinate this effort with the Activities and Education Committee and the Past Presidents.
6. Brief incoming chair

Don Pendleton Memorial Collegiate Awards.

On July 1, 2016 the TSSRM Board of Directors approved Adding the Don Pendleton Memorial Collegiate Awards to each annual meeting program beginning in 2016. This awards program will include an oral graduate student speakers contest, and graduate and undergraduate poster contest.

- 1) The meeting agenda shall include scheduled presentations for eight(8) graduate Speakers . This subcommittee chair shall issue a call for abstracts to universities and colleges in Texas with Range Science and Management related programs of study asking each school to submit two(2) abstracts from their current graduate students and those that received their graduate degree from that school within the two years prior to the date of the annual meeting. The Don Pendleton Memorial Collegiate Awards Committee shall select eight abstracts to compete in this program from those submitted by the invited Universities and Colleges.
- 2) The subcommittee chair shall also issue a call for both graduate and undergraduate poster abstracts. The subcommittee shall select those posters they recommend for competition based on abstracts submitted and available poster presentation space in the meeting venue. There shall be a designated poster presentation session in the annual meeting agenda where poster authors are present at their poster for meeting participant interaction and judging.
- 3) The subcommittee shall select a panel of reasonably qualified judges for each session or one panel of judges for all sessions. The subcommittee and/or judges panel(s) shall establish rules and judging criteria. It is recommended that these criteria be shared from year to year and edited or enhanced as needed based upon experience. The decisions of the judges' panel(s) is final and there shall be no appeals of decisions.

Winners of the speaking (graduate students) and poster contests (both graduate and undergraduate divisions) shall receive cash awards.

- 4) Funds for cash awards shall be budgeted from Annual Meeting revenues or from the TSSRM Annual Operating Budget at the discretion of the TSSRM Board of Directors. Annual Meeting Chairs and Don Pendleton Memorial Collegiate Awards Subcommittee chairs shall review the values for cash awards and make recommendations for adjustments to values to the TSSRM Board of Directors as needed.

YOUTH ACTIVITIES

PURPOSE

The purpose of the team is to initiate and sustain viable programs for youth, especially below college age.

STRUCTURE

It is desirable for this team to have fewer turnovers than most committees because the activities of the team can best be carried out by people who have served on the team multiple years, thus the Committee Chair may also be carried over for several years. In the event of a change in the Chair, it is desirable for the Section First Vice-President to appoint a Chair-Elect early in their term to allow as much of the transition year for learning. Chair-Elect becomes chair when First VP becomes president. In the event a change in Chair is desirable, First VP is requested to consult the remaining members of this team for selection of a new chair.

PRIMARY DUTIES

- 1 Sponsor the Youth Range Workshop at Texas Tech University Junction (or others as needed).
- 2 Select at least one to three of our outstanding youth(s) to attend the Society for Range Management's Annual Meeting and participate in the High School Youth Forum (HSYF) program. Also, see that they attend the Annual Meeting: this includes arrangements for travel, hotel rooms, and the financial assistance to make the trip.
- 3 Arrange for one to three of the outstanding youth from the Youth Range Workshop and High School Youth Forum, and HSYF President, if applicable, to give reports at the Texas Section's Annual Business Meeting - coordinate with the Annual Meeting Committee.
- 4 Initiate new programs for youth as the need and opportunity arises.
 - a. Promote utilization of available resources (and persons) of the Section in increasing the knowledge and understanding by Texas youth of range management and the resource.
- 5 Provide recognition for Texas youth involved in range programs.
- 6 Report the team's activities and proposals to the BOD at their regularly scheduled meetings. Chair/Chair-Elect to submit a written Committee Report (using developed committee report form) to the President two weeks prior to a Board of Directors Meeting (via email or fax).
- 7 The Section will pay 100% of the liability insurance policy for the Youth Range Workshop for 1996 (BOD 06/21/96) *This is currently a line item in the General Fund Budget, verify continued status with President and Treasurer prior to the Winter BOD Meeting (when the annual budget is developed).*
- 8 A list of any awards presented is to be sent to the President, Newsletter Editor, Archivist, and the Secretary.

Awards to be presented at Youth Range Workshop include (BOD 07/01/94):

- ◆ *Roger Q Landers Sr. Memorial* (sponsored by the Landers family)
- ◆ *Sam Coleman Memorial* (sponsored by the Upper Llanos SWCD)
- ◆ *George Holekamp Memorial* (sponsored by Kerr County SWCD)

TSSRM YOUTH ACTIVITIES COMMITTEE ENDOWMENT FUND (TSSRM YACEF)

The TSSRM YACEF funds will be managed according to the Youth Activities Team and its long term purpose of raising funds to carry out a number of activities as identified below under purpose of the team. Funds allocated to the YACEF will be managed by the investment committee and require BOD approval for changes in investment strategies.

The Committee Chairs and/or appropriate team members, with a copy of that acknowledgment to the Treasurer, will acknowledge all donations to the TSSRM Youth Activities Endowment Fund to the donor.

Quarterly reports for the TSSRM YACEF will be provided to the committee chair.

APPENDIX E

(Amended 10/12/2011)

**TSSRM Endowment Fund, TSSRM Memorial Scholarship Fund,
Bill Wyche Jr. Memorial Scholarship Fund and
TSSRM Youth Activities Endowment Fund**

INVESTMENT POLICY

It is the goal of the Texas Section Society for Range Management (TSSRM) to invest its designated assets into financial instruments which provide for the long term growth of capital with an acceptable income stream.

To that end it is the policy of the TSSRM to maintain these designated assets {scholarship fund(s) and endowment fund(s)} into an investment strategy which is managed for long term yield with the objective of Balanced Growth and Income.

It is recognized the investment policy is a long-term commitment by TSSRM. Based on market trends, annual returns, and continued long term objectives of the TSSRM, the investment policy will be reviewed every five (5) years. At each regularly scheduled meeting of the BOD the Investment Committee will submit a report on the status of each fund.

The Investment Committee chair is the primary contact between the TSSRM and the Investment Firm regarding investment decisions; however the TSSRM Treasurer will be responsible for the transfer of income to the designated TSSRM committee funds. Oversight of each account is the responsibility of the Investment Committee.

The current investment policy is established for the period beginning June 2016 and will extend to June 2021.

No change in investment policy will be authorized without the full approval of the BOD.

PERFORMANCE EVALUATION AND MONITORING

Investment Advisor's evaluation will be based upon:

- 1) total portfolio performance
- 2) analysis of risks incurred in achieving results
- 3) comparison of total fund and asset class performance with similarly managed funds

Objectives

The TSSRM primary investment objective is to preserve and protect its assets by earning a total return for each category of assets (a "Fund"), which is appropriate for each Fund's time horizon, distribution requirements, and risk tolerance. The TSSRM currently maintains Special Purpose Funds, and Endowment Accounts, and may add other Funds in the future. These policies apply to all the TSSRM Funds, although the specific objectives, risk parameters, and asset allocation will vary, as appropriate, from Fund to Fund.

Asset Allocations

Actual asset allocations for each Fund will be established and maintained by the TSSRM on the advice

of its Investment Advisor, within the ranges provided in the following table:

Investment Fund	Asset Class		
	Equities	Fixed-Income	Cash & Cash Equivalents
Scholarship Funds	30-60%	50-70%	0-20%
Endowments	50-80%	25-55%	0-15%

When appropriate, specific objectives for each Fund, including specific asset allocation parameters and performance standards, may be reflected in an appendix attached to these policies. Such specific objectives shall nonetheless be within the foregoing ranges which can only be modified by the Committee with the approval of the Board.

Rebalancing Procedures

The Committee will monitor the asset allocation of each Fund based on reports provided by the TSSRM Investment Advisor. The Committee may establish any reasonable rebalancing procedure based on either periodic reviews or departures from a range and may either move money from one asset class to another or may direct future contributions and expenditures from particular classes as is most convenient.

Investment Guidelines

To accomplish its investment objectives, the SRM is authorized to utilize any legal investment structure including separately managed portfolios, mutual funds, exchange traded funds, limited partnerships, and other commingled investment entities. This authority is subject to the requirements and restrictions contained in these policies.

PROHIBITIONS

The portfolio may not hold short positions in any type of investment.
The portfolio may not invest in commodities or commodity futures or options.

APPENDIX G

YOUNG PROFESSIONALS PROGRAM

PURPOSE

The TSSRM encourages young professionals to participate in the Annual Meeting. They will have an opportunity to present a paper based on their own work.

ELIGIBILITY

Ranchers, range conservationists, graduate students, and other range professionals who have **worked in the field for five years or less** are eligible to participate.

TOPICS

Presentations must be original and may deal with any topic pertinent to range management. Information presented may include research results, new or improved management practices, or successful application of range management.

SELECTION OF PARTICIPANTS

All contributions received will be considered for eligibility and appropriateness of topic. If more papers are submitted that time will permit during the meeting, selection will be by a committee with attention given to maintaining balance in the numbers of papers accepted from various institutions and topics.

ORGANIZATION OF PROGRAM

Speakers may be scheduled during concurrent sessions on Saturday morning. Each speaker will have 15 minutes; 12 minutes for presentation and 3 minutes for questions. The sessions will be from 8:30am to 10:30am on Saturday.

DEADLINES

Submit one page with TITLE, SPEAKER'S NAME, and a ONE PARAGRAPH ABSTRACT of the proposed talks by AUGUST 1 or 60 days prior to the Annual Meeting if it is not in October. Participants will be notified by 1 September (or 30 days after submission) of acceptance of their paper.

Adopted by the BOD, October 1990.

APPENDIX H

PURCHASING PROCEDURES FOR OFFICERS, DIRECTORS AND COMMITTEE CHAIRS (and pertinent information on Federal and State Taxes)

FEDERAL INCOME TAXES: The Texas Section of the Society for Range Management is exempt from Federal Income Tax under Section 501(c)(3) of the Internal Revenue Code. This exemption was granted in January 1950 and remains in effect. Contributions to the Section are deductible in the manner and to the extent provided by Section 170 of the Code.

The Texas Section is not a private foundation as described in Section 509(a) of the Internal Revenue Code. The Section's status is described in Section 509(a)(2).

STATE FRANCHISE TAX: The Texas Section was incorporated with the Texas Secretary of State's Office on December 15, 1980. Currently, the Texas Section is listed as an exempt organization, and therefore is exempt from State Franchise Tax.

STATE SALES TAX: The Texas Section currently holds a Limited Sales Tax Permit. Under the law, the Texas Section is required to collect Sales Tax on taxable items (caps, cookbooks, videos, etc.) sold to individuals or non-exempt organizations, even though the proceeds go directly to the Texas Section. As an exempt organization, the Texas Section can hold one fundraiser per year without payment of State Sales Tax. By holding a State Sales Tax Permit, the Texas Section can legally make taxable sales throughout the year and collect sales tax as appropriate. In addition to using the permit for reporting taxable sales, it is used for purchasing taxable items for resale. The Limited Sales Tax Permit is not used when purchasing taxable items for direct use by the Texas Section.

TEXAS SALES TAX EXEMPTION CERTIFICATE: This is the document that Texas Section officers, directors or committee chairs must use when purchasing taxable goods or services for the Section. If the vendor (seller) asks for the organization's State Sales Tax Exemption number, explain that the State of Texas does not issue State Sales Tax Exemption Numbers. Exemption numbers do not exist for the Texas Section or for any other exempt organization (churches, schools, Scouts, etc.). In Texas, the Sales Tax Exemption Certificate is used, and an exemption number is not required for the Certificate to be valid. A copy of the Texas Sales Tax Exemption Certificate is attached. Under the law, an exempt

organization may purchase taxable goods or services for its use without paying State Sales Tax by providing the vendor with the Certificate.

Any Texas Section officer, director or committee chair making a purchase of taxable goods or services for the Section shall provide the vendor with a copy of the attached certificate. Make as many copies of the attached certificate as needed and sign each certificate as it is used. Describe the items or services in very general terms (e.g. office supplies, meeting supplies, etc.). The address of the Texas Section Treasurer is shown at the top of the Certificate because this is the Section's address of record in the State Comptroller's Office.

REIMBURSEMENT: To request reimbursement for purchases, mail the receipt or a statement that a receipt is not available to the Texas Section Treasurer. The Treasurer will assign the purchase to its proper accounting category.

Contact the Texas Section Treasurer if you need additional information on the status of tax documents issued to the Section, purchasing procedures, or how to obtain reimbursements

Form (Rev. November 2005) Department of the Treasury Internal Revenue Service	<h2 style="margin: 0;">W-9</h2> <h3 style="margin: 0;">Request for Taxpayer Identification Number and Certification</h3>	Give form to the requester. Do not send to the IRS.
Print or type See Specific Instructions on page 2.	Name (as shown on your income tax return) TEXAS SECTION SOCIETY FOR RANGE MANAGEMENT	
	Business name, if different from above	
	Check appropriate box: <input type="checkbox"/> Individual/ Sole proprietor <input type="checkbox"/> Corporation <input type="checkbox"/> Partnership <input checked="" type="checkbox"/> Other Non-Profit <input type="checkbox"/> Exempt from backup withholding	
	Address (number, street, and apt. or suite no.) C/O ROBERT MOEN	Requester's name and address (optional)
	City, state, and ZIP code PO BOX 43 SONORA TX 76950-0043	
List account number(s) here (optional)		

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Social security number								

or

Employer identification number								

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Sign Here	Signature of U.S. person	Date
-----------	--------------------------	---

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

Notes:

All original materials are returned to the respective custodian of each fund or special account. Only with approval of the respective custodian are the records sent directly to the Texas Section Society for Range Management Archivist.

Be sure to put all of the Treasurer's materials in the proper order after making any copies for the Audit Coordinator.

Auditing Guidelines

Auditor Receiving and Presenting Materials

The audit committee chairperson or audit coordinator will receive all materials requested in the Financial Documentation Guidelines prior to March 1st.

A written or oral summary will be presented at the TSSRM summer Board of Directors meeting. The Treasurer will answer questions pertaining to the financial condition of the Section, if the Financial Audit Committee Chairperson or the Audit Coordinator is not present to do so. Ede & Company (CPA's) "recommended that *all funds* be audited annually by the financial audit committee".

Use of Standardized Formats

Use of a standardized format will make the audit process easier and will make the financial documents comparable from year to year. A set of Financial Documentation Guidelines (FDG) have been created to aid in the preparation of the standardized forms. Also, the FDG gives list of materials that will be sent to audit coordinator or financial audit committee chairperson.

Only through the accounting process of adjusting entries and the preparation of financial statements can the true financial condition of the Section be known. The section's books will be kept on the accrual accounting basis. The financial statements and other summaries can be used by the Officers and Board of Directors in a managerial function in helping determine financial policy.

The materials requested in the FDG will be needed by March 1st in order to perform an audit and prepare the various financial statements in a timely manner. The financial statements will be sent to the Treasurer prior to April 15th for timely preparation of appropriate tax documents as needed.

Budgeting

The Treasurer and/or Audit Coordinator will provide to the Officers and Directors a budget worksheet to be used at the winter meeting. *This budget worksheet is based upon the cash on hand and is only used for planning purposes.*

Funds/Checking

The Texas Section Society for Range Management has the following permanent Funds:

- TSSRM General Operating Fund (GOF)
- TSSRM Youth Activities Committee Fund (YAC)
- TSSRM Memorial Scholarship Fund (MSF)
- TSSRM Endowment Fund (EF)
- TSSRM Bill Wyche Jr. Memorial Scholarship Fund (WSF)

In addition to these permanent funds, the Section has additional temporary account(s) (e.g. - Annual Meeting). Only the BOD can approve/establish temporary accounts. All temporary accounts are closed/reconciled into the General Operating Fund.

The designated custodian of the General Operating Fund, Youth Activities Committee Fund, and any special accounts (and any authorized temporary accounts approved by the BOD) are authorized to write checks from their respective checking accounts. Revenues and expenditures should reflect only the authorized activity of each fund or temporary account. (The Section Treasurer is the authorized custodian for the Scholarship Funds and the Endowment Fund.)

Each checking account that the Texas Section Society for Range Management authorizes will have two members that will be able to sign checks. This will provide for "Right of Survivor-ship". The TSSRM Treasurer will have custodial care of the check book to write all checks. All accounts are named as follows - Texas Section Society for Range Management - (i.e. Annual Meeting).

Disclosure of Financial Information

Financial disclosures of excess or deficits from the Annual Meeting, and of the status any other account should be done only after the financial audit is completed.

Reporting Financial Discrepancies

If any problems are found, the audit chairperson will try to resolve the problem with the affected party. Often, problems arising concern proper documentation and recording. Minor problems can usually be resolved with a telephone call or fax.

If the problem cannot be resolved within ten days, or it is of a serious nature, the audit chairperson will report it to the

President immediately.

Filing Yearly the Final Audit Package

The final audit package will be sent to Treasurer in April. The Treasurer will file the final audit package containing the yearly financial statements with the Section's financial records. The audit coordinator will also retain a copy of the final audit package. Financial records will be sent to the Section's Archivist according to the established schedule.

TSSRM General Operating Fund (GOF) - Financial Documentation Guidelines.

Items that must be provided the Auditor Coordinator prior to March 1st.

1. Copy of detailed Financial Statement prepared by the Treasurer (Dated 12-31-xx)
2. Copy of Appendix A and any other Appendices prepared by the Treasurer
3. Copy of bank registers (List of check & deposits from checkbook) for year being audited and for January of the current year.
4. Copy of bank statements for December and January (Current year)
5. Copies of 1099's
6. Copies of investment papers (unless Audit Coordinator already has on file)

Items that must be provided the Financial Audit Chairperson prior to March 1st.

1. All originals listed above
2. Bank statement for year being audited
3. Supporting Documentation (Deposits and Expenditures)
4. Copies of Investment papers

Other Guidelines:

- **Voided Checks.** Write void on all voided checks and enclose them with the appropriate bank statement.
- **Checking.** Each checking account that the Texas Section Society of Range Management authorizes will have two members that will be able to sign checks. This will provide for "Right of Survivorship". Revenues or expenditures should reflect only the authorized activity of each fund or temporary account.

TSSRM Temporary Account (for Annual Meeting or any Special Function) - Financial Documentation Guidelines

Items that must be provided the Audit Coordinator:

1. Supporting documentation (Revenues or Deposits)
2. Supporting documentation (Expenditures or Checks Written)
3. Quicken (or other Accounting software) Account Summary (listing all revenues and expenditures)
4. All original registration forms
5. Hotel & convention center statements
6. Two copies of the Printed Program (containing a list of Exhibitors, Contributors, Sponsors and Donors).
7. All bank statements
8. Checkbook register
9. Registration Spread Sheet
10. Information on cash portion of registration

Summary of Itemized Revenues and Expenditures

The audit chair will prepare these based upon the information provided above. If a finance subcommittee chairperson did not have access to Quicken, the Audit Coordinator would provide tables to record information for the annual meeting.

The Statement of Cash Receipts and Cash Disbursements and the Summary of Itemized Revenues and Expenditures are sent to the Committee planning the next annual meeting. All materials will be sent to the Financial Audit Committee Chairperson.

TSSRM Newsletter Editor

- Send revenue checks to the TSSRM Treasurer as soon as possible.

TSSRM Youth Activities Committee Fund - Financial Documentation Guidelines

Items that must be provided the Audit Coordinator prior to March 1st.

- 1 Supporting documentation
 - a) Revenues or deposits
 - b) Expenditures or checks written
- 2 Quicken, or other Accounting Software
 - a) Summary (listing of all revenues and expenditures)
- 3 Copy of Bank Register
- 4 Bank Statements
- 5 HSYF Cash Expenditures Summary
- 6 Supporting HSYF Documentation

Other Guidelines:

- Specify year on HSYF expenditures.
- *Use of Accounting Software if recommended.* If you do not have access to any accounting software, please contact the Audit Coordinator and/or Treasurer for examples of acceptable manual accounting procedures.
- Include reimbursements on your Account Summary - even if they cancel each other out.
- Checking. Each checking account that the Texas Section Society for Range Management authorizes will have two members that will be able to sign checks. This will provide for "Right of Survivorship". The Board of Directors encourages the member having custodial care of the checkbook write all checks. Revenues or expenditures should reflect only the authorized activity of each fund or temporary account.

TSSRM Financial Documentation Guidelines for:

- **TSSRM Memorial Scholarship Fund**
- **Bill Wyche Jr. Memorial Scholarship Fund**
- **Endowment Fund**
- **TSSRM Youth Activities Endowment**

Items that must be provided the Financial Audit Chairperson prior to March 1st.

- Brokerage statement from Financial Institution managing the fund (currently Frost Bank - 2003). **NOTE:** The Treasurer is the primary contact for the Section with the Financial Institution managing the Funds. Thus, the Treasurer would normally provide copies of the Brokerage Statement to the Audit Coordinator.
- List of Contributors
- Summary Statement from Financial Institution.

Items that must be provided the Audit Coordinator.*

- 1 List of Contributors
- 2 Summary from Frost Bank

*Audit Coordinator receives monthly statements from Financial Institution.

Other Guidelines:

- 1 It is required that all investment decisions be made by the October Board of Directors meeting. This would allow for transfers of funds, investment purchases, and sales to be completed before the close of the fiscal year.
- 2 Presently the Texas Section Society for Range Management Treasurer will be receiving these materials listed above.
- 3 The Financial Audit Chairperson will copy any check(s) from the Treasurer's Revenues (Deposits) records that are being sent to any of the Funds.
- 4 The Treasurer will send each of committee Chair and/or Designated member of the committee the audited financial statements and summaries received from the Audit Coordinator.
- 5 All monies being sent to - or from - the Financial Institution shall go through the TSSRM General Operating Fund (GOF).

APPENDIX J

SOCIETY FOR RANGE MANAGEMENT INFORMATION

The Society for Range Management is a professional society committed to advancing the art and science of rangeland management as a means of conserving rangeland resources. Its 4000-plus members include ecologists, taxonomists,

conservationists, hydrologists, soil, plant, animal, and wildlife scientists, economists and other social scientists, ranchers, farmers and others interested in the conservation of rangeland resources. The glue that holds the Society together is the membership's excitement for learning experiences, and its appreciation and love for the resource and the people who manage it.

The Society's **vision** is a well-trained and highly motivated group of professionals and rangeland users working with productive, sustainable rangeland ecosystems.

The Society's **mission** is to promote the professional development and continuing education of members and the public and the stewardship of rangeland resources.

SRM is the professional society dedicated to supporting persons who work with rangelands and have a commitment to their sustainable use. Rangelands comprise almost one-half of all the lands in the world. They are extremely important to society for the goods and services they produce and for the ecological services they provide. SRM is dedicated to the conservation and sustainable management of rangelands for the benefit of current societies and for future generations.

The objectives through which the Society strives to meet its mission are to: 1) properly take care of the basic rangeland resources of soil, plants and water; 2) develop an understanding of range ecosystems and of the principles applicable to the management of range resources; 3) assist all who work with range resources to keep abreast of new findings and techniques in the science and art of range management; 4) improve the effectiveness of range management to obtain from range resources the products and values necessary for man's welfare; 5) create the public appreciation of the economic and social benefits to be obtained from the range environment; and 6) promote professional development of its members.

SRM CERTIFICATION PROGRAMS

To improve the effectiveness of range management and provide the best possible professional assistance, the Society for Range Management offers two certification programs, the Certified Range Management Consultant and the Certified Professional in Rangeland Management.

Certified Range Management Consultant (CRMC)

To improve the effectiveness of range management and provide the best possible professional assistance, the Society for Range Management developed procedures and standards for certification as a Range Management Consultant. The Society conducts a thorough evaluation of the credentials of applicants for certification to assure that those who become certified range management consultants meet the highest standards of the profession.

Applicants for certification are screened rigorously by a panel, all of whom meet the standards for certification. Certification must be renewed each year and reviewed every five years to maintain professional proficiency and integrity.

A CRMC is a professional who had demonstrated expertise in the art and science of applying the principles of ecology to management of the rangeland resource; has a designated minimum level of educational training and experience; and, is deemed qualified by SRM to render professional consulting services. The area of specialization to be certified, within the broad definition of range management, is that of "grazing and its impact on plants and soils." The intent is to avoid certifying other specialties closely allied to range management.

Certification as a CRMC indicates that you have completed the necessary educational requirements and have a minimum of ten years of qualifying experience.

For more information, to obtain application materials, or to obtain a list of SRM Certified Range Management Consultants and their area(s) of expertise, contact the SRM Office at 303-986-3309.

Recertification: Every fifth year, a CRMC must submit an Application for Renewal of Certification form and an updated resume and description of employment and professional activities (10 copies) for review by the Panel. This shall include professional maintenance activity and a statement of reasons for continued certification to confirm credibility as a CRMC. This 5-year update of documentation and renewal fee must be received by the Executive Vice President by October 1st for renewal at the beginning of the next calendar year. **Failure to renew** will automatically cause a lapse in certification. An individual will be reinstated following a lapse of 2 years or less by letter request and payment of lapsed renewal fees, provided that all the eligibility requirements are maintained. If the lapse is more than 2 years, a completely

new application packet will be required to be submitted. ***An individual whose certification has been denied or revoked*** may reapply after 12 months from the date of the Panel action, provided that additional information is available for Panel review.

Certified Professional in Rangeland Management (CPRM)

To certify individuals who have the professional credentials required to plan and implement sound management of rangelands as a means of improving the standards of professional expertise used in managing public and private rangelands. Granting of the status of "Certified Professionals in Rangeland Management" by the Society for Range Management signifies that the individual so designated has met the basic qualifications to do professional work in this field and has not been found to engage in unprofessional conduct. For more information, to obtain application materials, or to obtain a list of SRM Certified Professionals in Rangeland Management, please contact the SRM Office @ 303-986-3309.

Certification as a CPRM indicates that you have completed the necessary educational requirements and have a minimum of five-years of qualifying experience.

Recertification/Continuing Educational Requirements (CEUs): Certified Professionals in Rangeland Management will be required to meet the minimum continuing education requirements of 32 CEUs during the 2-year certification period. Courses, and the number of CEU credits counting towards re-certification, will be approved by the Certification Committee. A general estimate is 4 days of instruction will be required for 32 CEUs. Continuing education courses will be offered at SRM Annual Meetings. SRM Sections, universities, government agencies, or other professional organizations may offer courses as well. Post approval of a course for continuing education can be requested, but there is no guarantee that the course will be accepted by the Committee.

Continuing Education requirements must include a diversity of topics. Generally, at least half the credits should be directly related to the subject matter described under the educational requirement. The remainder should be in subject matter related to professional practice of rangeland management. When considering applications for renewal of certification, the Committee will evaluate the breadth and depth of continuing education submitted and make recommendations for needed additions during the next certification period.

Individuals must submit proof of satisfactory completion of all CEUs when making an application for renewal of certification. Certain individuals who fail to obtain the required 32 CEUs during a 2-year period will be given a provision re-certification period of 6 months to complete the requirement, and charged a penalty fee of \$25.00.

Ethics:

All certified professionals with either certification program will be required to adhere to the *Standards of Conduct for SRM Members Providing Public Service* and the *SRM Code of Ethics*. Documented evidence of unprofessional or illegal conduct or failure to comply with the Standards or Code may result in decertification.

Standards of Conduct for SRM Members Providing Public Service

Revised February 2002

Rangeland Management has become an increasingly important and visible profession. Rangeland professionals have the knowledge necessary to render effective service to society. To this end, the following code defines professional conduct and ethics for the membership of the Society for Range Management.

The purpose of these canons is to enumerate principles of professional conduct for rangeland professionals in their relationships with each other, employers, clients and society. Honesty, respect, and courtesy, when associated with interests common to the entire Society membership, constitute the foundation of our ethics. With integrity as the keystone, this philosophy should guide our conduct, improve our efforts and build public confidence.

Rangeland professionals will discharge their duties with fidelity. It is their duty to be interested in public welfare and the sustainability of rangelands, and to apply their knowledge for the common good. They will uphold that which is honorable to the profession.

Professional Life

Rangeland professionals:

1. Have an obligation to advance the science and art of rangeland management, uphold its high standards, and to conform to the principles of acceptable professional conduct.

2. Will collectively and individually endeavor to protect the rangeland management professional from misrepresentation and misunderstanding.
3. Will utilize their unique skills and knowledge for the betterment of society and sustainability of rangelands.
4. Are obligated to extend their knowledge and skills by interchanging information and experience with others in the profession and other members of society, who may benefit from or contribute to the profession.

Relations with the Public

Rangeland professionals:

5. Will endeavor to extend the correct and increasing knowledge of rangeland management to the public and will discourage untrue, unfair, or exaggerated statements regarding rangeland management.
6. Guard against conditions that are dangerous or threatening to life and health in work for which they are responsible, or will promptly call such conditions to the attention of those who are responsible.
7. Will not issue ex parte statements, criticisms, or arguments on matters without indicating on whose behalf they are acting.
8. While serving as a witness before a court, commission, or other tribunal, will express opinions only when they are based on adequate knowledge and honest conviction.
9. Will refrain from expressing publicly an opinion on a rangeland management subject unless they are informed on the matter and will not alter or withhold data for the purpose of substantiating a point.

Relations with Clients and Employers

Rangeland professionals:

10. Will advertise their services in a dignified manner, setting forth in truthful and factual statements in the service they are prepared to render.
11. Will act in professional matters for each employer or client as a faithful agent or trustee.
12. Will act with fairness and respect toward their employer, employee, client, or contractor.
13. Will not accept compensation of any kind from more than one party for the same service or for services pertaining to the same work, without the consent of all interested parties.
14. Will not accept commissions or allowances, directly or indirectly, from contractors or other parties dealing with their employer or client in connection with work for which they are responsible.
15. Will not have a financial interest in the bids of a contractor for competitive work for which they are responsible, except with the consent of the employer or client.
16. Will disclose to the employer or client any interest in a business, which may compete with or affect the interest of that employer or client.
17. Will engage, or advise the employer or client to engage other experts and specialists in range management and associated fields whenever the employer or client's interest would be best served by such services.
18. Will not disclose information concerning the business affairs or technical process of employers or clients without prior consent.
19. Will clarify their status to the employer or client before undertaking an engagement to decide upon the use of inventions, apparatus, or any other thing in which they may have a financial interest.
20. Will present clearly the consequences to be expected from deviations proposed if their professional judgment is overruled in cases where they are responsible for the technical adequacy of rangeland management or related work.
21. Will not directly or indirectly injure the professional reputation, prospects, or practices of other rangeland managers or allied professionals.
22. Will not be professionally associated with others who do not conform to ethical practices.
23. Will insure that credit for rangeland conservation and management is properly given to those deserving of it.
24. Will endeavor to provide opportunity for development and advancement of personnel in their employ.
25. Will exercise due restraint in criticizing another professional's work in public, recognizing that the Society for Range Management, its meetings, publications, and Journal provide the primary forum for technical discussions and criticisms.
26. Will present information of unethical, illegal, or unfair practices by other rangeland professionals to the proper Society authority for action.
27. Will uphold the principles of appropriate and adequate compensation for rangeland professionals, regardless of capacity, as being in the interest of society and maintaining the standards of the profession.
